Subject: Information sought under RTI Act 2005 -reg

Sir,
 With reference to your application dated 12.04.2012 under RTI Act, 2005, The following information is provided from the Education Division of the Indian council of Agricultural Research (ICAR):

Sl. No.	Information sought <i>Question</i>	Remarks <i>ANSWER</i>
1.	List of ICAR recognized universities and colleges and their year of recognition respectively, whether the ICAR recognition is valid to the previous batches which were held before recognition.	The ICAR has no statutory power to recognize any university or college. The act of recognition or the power of recognition lies with the concerned State Govt. or the UGC. However, accreditation is done by the ICAR after every five years. The ICAR provides only partial financial support to the State Agricultural Universities under its plan scheme, i.e. 'strengthening and development of higher agricultural education in India'. However, the list of State Agricultural Universities is enclosed herewith for information.
