1 About the University

Career Point has been developing great minds for more than two decade. Continuing the tradition of excellence in delivery quality education and to push forward the boundaries of knowledge to positively impact people's lives, we started universities at Kota and Hamirpur. Our campuses are having state-of-the-art infrastructure, best academic facilities and experienced faculty to help you to realize your full potential. All our courses are designed to provide you excellent learning, requisite expertise, rewarding qualification, practical exposure, hands on-learning and desired skills for a successful career.

2 About the Journal

IJPSR is a peer-reviewed journal aiming to communicate high quality original research work, reviews, short communications, case report, Ethics Forum, Education Forum and Letter to editor that contribute significantly to further the Scientific Knowledge related to the field of Science, and Pharmacy i.e. Pharmaceuticals, Science, Pharmacognosy, and other pharmacy related fields.

3 About the Conference

The aim of the conference is to create awareness about the recent development in field of pharmaceutical, Agriculture, Science and Healthcare system. It will offer a common platform for interaction with eminent academicians, leading researcher, industrialists and leaders. The lectures in the seminar would be delivered by the most experienced person in the field of research and academics.
