CAREER POINT UNIVERSITY

National Highway 52, Opp Alaniya Mata Ji Mandir, Alaniya, Kota, Rajasthan-325003

ACTIVITY REPORT

1. Title of the Activity

Poster Making Competition on Sustainability and Environment

2. Organizing Body

IQAC, CPU, Career Point University

3. Date and Time

27 February 2025, 09:30 AM – 11:30 AM

4. Venue

Seminar Hall, Career Point University

5. Aim of the Activity

To encourage students to express their ideas on sustainability and environmental protection through creative and artistic means.

6. Objective of the Activity

- To promote awareness about environmental sustainability
- To encourage creativity and innovation among students
- To develop a sense of responsibility towards environmental conservation
- To provide a platform for students to showcase their artistic skills

7. Description of the Activity

The Poster Making Competition on the theme “Sustainability and Environment” was organised by IQAC at Career Point University. The event saw active participation from students across different departments, who showcased their creativity through visually appealing and meaningful posters. Participants highlighted important environmental issues such as climate change, pollution, conservation of natural resources, and sustainable living practices. The competition was conducted in a well-organised manner, and students used innovative ideas, colours, and messages to effectively communicate their thoughts. The event created an engaging and inspiring atmosphere, encouraging awareness through art.

8. Topics Covered / Theme

Sustainability and Environment, including themes such as environmental conservation, climate change, pollution control, waste management, and sustainable practices.

9. Outcome of the Activity

- Enhanced awareness about environmental issues among students
- Encouraged creative thinking and artistic expression
- Promoted sustainable practices and responsible behaviour
- Provided a platform for talent showcase

10. Feedback / Response

The competition received an enthusiastic response from students. Participants found the activity engaging and meaningful and appreciated the opportunity to express their views on environmental issues creatively.

11. Conclusion

The Poster Making Competition was successfully conducted and effectively achieved its objective of spreading awareness about sustainability and environmental protection. It proved to be an informative and creative learning experience for all participants.
