Title	हरित सप्ताह
Date	3-7 JULY 2024
Introduction of the Event	<p>In a world where environmental concerns are increasingly taking center stage, it is essential for educational institutions to lead by example in promoting sustainable practices. With this vision in mind, the National Service Scheme (NSS) at Career Point University is proud to present हरित सप्ताह (Green Week), with a special focus on a comprehensive Tree Plantation Drive on the 3rd of July, 2024.</p> <p>The Tree Plantation Drive aims to enhance the green cover of our university campus, contribute to the fight against climate change, and instill a sense of environmental stewardship among students, faculty, staff, and the local community. By planting native trees, we aim to create a healthier and more vibrant ecosystem that benefits all living beings.</p> <p>Trees play a crucial role in maintaining ecological balance. They purify the air by absorbing pollutants, provide oxygen, prevent soil erosion, and offer habitat and food to wildlife. Additionally, green spaces have been shown to improve mental well-being, reduce stress, and enhance the overall quality of life. Thus, our tree plantation initiative is not just about planting trees but about nurturing a sustainable future.</p> <p>We invite all members of the Career Point University community to join us in this green initiative. Together, let's make our campus a</p>

	<p>greener and more beautiful place, while also contributing to the global effort to combat environmental degradation.</p>
<p>Objective of the Event</p>	<ul style="list-style-type: none">➤ To enhance the green cover within the university campus.➤ To promote environmental sustainability and conservation.➤ To educate and engage the university community in eco-friendly practices.➤ To foster a sense of environmental stewardship among students, faculty, and staff.➤ To contribute to the global effort against climate change.

📅 3 July to 7 July 2024

🕒 03:00Pm to 4:30Pm

📍 University Campus

Schedule of the Event

3rd July 2024 - Inauguration and Tree Plantation Drive

- **9:00 AM - 9:30 AM:** Inauguration Ceremony
 - Welcome Address by Vice Chancellor
 - Keynote Speech by Chief Guest on Environmental Conservation
- **9:30 AM - 12:00 PM:** Tree Plantation
 - Distribution of saplings and tools
 - Guided planting session

4th July 2024 - Tree Plantation and Care Workshop

- **9:00 AM - 9:15 AM:** Briefing and Team Assignment
- **9:15 AM - 11:30 AM:** Tree Plantation
 - Planting in designated areas

- Installation of protective measures
- **11:30 AM - 12:00 PM: Tree Care Workshop**
 - Instructions on watering, weeding, and protection

5th July 2024 - Tree Plantation and Maintenance

- **9:00 AM - 9:15 AM: Briefing and Team Assignment**
- **9:15 AM - 11:30 AM: Tree Plantation**
 - Planting additional saplings
- **11:30 AM - 12:00 PM: Maintenance of previously planted trees**
 - Watering and checking protective measures

6th July 2024 - Community Involvement and Awareness

- **9:00 AM - 9:15 AM: Briefing and Team Assignment**
- **9:15 AM - 11:30 AM: Tree Plantation**
 - Planting with community members
- **11:30 AM - 12:00 PM: Awareness Session**
 - Importance of trees and community involvement

7th July 2024 - Final Plantation and Closing Ceremony

- **9:00 AM - 9:15 AM: Briefing and Team Assignment**
- **9:15 AM - 11:30 AM: Final Tree Plantation**
 - Ensuring all designated areas are covered
- **11:30 AM - 12:00 PM: Closing Ceremony**
 - Address by NSS Coordinator
 - Distribution of participation certificates
 - Vote of Thanks

NSS Activity 8 August 2024

Title	Tag a Tree - Tribute to Indian Freedom fighters on Quit India movement on
Date	9/08/24
Introduction of the Event	<p>To honor the brave Indian martyrs of the Quit India Movement and foster environmental awareness, the National Service Scheme (NSS) at Career Point University is organizing a unique tribute called "Tag a Tree - Tribute to Indian Freedom Fighters." Scheduled for August 9, 2024, this initiative involves NSS volunteers tagging trees at the homes of these martyrs, naming the trees after them, and educating the university community about their contributions. By intertwining the remembrance of our national heroes with the promotion of tree preservation, this event aims to inspire a deeper sense of national pride, historical awareness, and commitment to environmental conservation among students and faculty.</p>
Objective of the Event	<ul style="list-style-type: none"> ● To commemorate the Indian martyrs of the Quit India Movement by naming trees after them. ● To foster environmental awareness and promote tree preservation. ● To educate the university community about the historical significance of the Quit India Movement and the individuals involved. ● To encourage sustainable practices among students and faculty to protect the environment

SCHOOL OF AGRICULTURE SCIENCES

Title	Parthenium Awareness Week
Date	21 st to 27 th August, 2024
Introduction of the Event	<p><i>Parthenium hysterophorus</i>, commonly known as Congress grass, is a highly invasive species posing a significant threat to agricultural productivity, biodiversity, and human health. To combat this, the School of Agricultural Sciences proposes in association with NSS a week-long eradication campaign from 21st to 27th August 2024. This activity aims to engage students in hands-on environmental conservation efforts, enhancing their practical knowledge and community engagement.</p>
Objective of the Event	<ul style="list-style-type: none"> ● Awareness and Education: Inform students and the local community about the risks associated with <i>Parthenium</i> weed. ● Practical Eradication Techniques: Demonstrate and implement effective methods for controlling <i>Parthenium</i>. ● Community Engagement: Encourage a sense of responsibility and teamwork among students and local residents as part of the NSS initiative.
Beneficiaries of the Event	<ul style="list-style-type: none"> ● Environment ● Farmers ● Students ● Livestock

Day 2 (August 22):

Area -Near by Guest House, CPU

- Eradication of Parthenium under the supervision of Dr. Dheerendra, Dr. Prateek, Mr. Rohitashv Nagar, Dr. Ratnakar, Dr. Maina Meena, Dr. Mahaveer, Mr. P.C. Choudhary, Dr. Jitendra Suman

Day 3 (August 23)

Area -Cricket ground

- Eradication of Parthenium under the supervision of Dr. Dheerendra, Dr. Mahaveer, Mr. P.C. Choudhary, Dr. Chetan

Day 4 (August 24)

Area -Village Kasar

- Practical session on identifying Parthenium in the field.
- Interaction with farmers
- Lecture delivered by Mr. Rohitashv Nagar to the farmers
- Aware farmers community about the harmful effect of Parthenium
- Eradication of Parthenium under the supervision of Dr. Dheerendra, Dr. Ratnakar, Dr. Maina Meena, Dr. Jitendra Suman

Day 7 (August 27)

Area -Herbal Garden

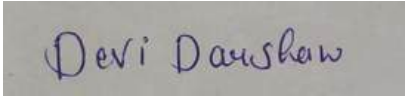

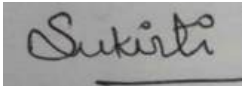

- Eradication of Parthenium under the supervision of Dr. Dheerendra, Dr. D.D. Tiwari, Dr. Jitendra Suman, Dr. Prateek

<p>Brief Description of the event</p>	<p><i>Parthenium</i> Awareness Week, held from August 21 to August 27, was an initiative by the Agricultural Science department in collaboration with the National Service Scheme (NSS) club. The event aimed to educate students, faculty, and the local community about the dangers of <i>Parthenium</i>, an invasive weed that threatens agriculture, human health, and the environment.</p> <p>Each day from 11:00 AM to 12:00 Noon, a range of activities were conducted, including villages, cricket ground, OAT area, guest house, herbal garden and field visits. These sessions focused on identifying <i>Parthenium</i>, understanding its harmful effects, and learning sustainable management practices. The program also emphasized community involvement, with NSS volunteers engaging in outreach activities to spread awareness and promote action against the spread of this noxious weed.</p> <p>The event concluded with a closing ceremony that highlighted the key takeaways from the week, acknowledged the contributions of participants, and reinforced the importance of continued efforts in controlling <i>Parthenium</i>. This collaborative effort underscored the critical role that education and community action play in addressing environmental challenges. This activity was also conducted in two villages (Kasar & Alaniya) nearest to the campus for identification of <i>Parthenium</i> weed, understanding its harmful effects, and learning sustainable management practices.</p>

School of Physiotherapy

Title	WORLD PHYSIOTHERAPY DAY CELEBRATION
Date	08/09/23
Introduction of the Event	<p>World Physiotherapy Day is an annual event celebrated worldwide to recognize and appreciate the significant contributions of physiotherapists in healthcare. Each year, the event focuses on a specific theme, highlighting areas where physiotherapy plays a crucial role. This year's theme, "Arthritis Celebration," aimed to shed light on the essential role of physiotherapists in the management of arthritis and the improvement of patients' quality of life.</p> <p>Event Highlights:</p> <ol style="list-style-type: none"> 1. Educational Seminars: Seminars were conducted to educate both the students and healthcare professionals about the latest advancements in arthritis treatment. Experts discussed pain management, the benefits of physical therapy, and strategies for enhancing the mobility and independence of arthritis patients. 2. Physical Activities: As physical activity is crucial for arthritis patients, numerous performances were presented by the students including arthritis-friendly exercise, mobility games and group activities that promoted movement and social interaction. <p>Community Outreach: Physiotherapy professionals and students from the physiotherapy department reached out to local communities, providing free consultations and basic health assessments. They offered advice on arthritis prevention and management, emphasizing the significance of regular physical activity.</p>
Objective of the Event (Bullet points or about 50 words)	<ul style="list-style-type: none"> ● Educational Opportunities: To provide students pursuing physiotherapy with a unique opportunity to learn about the challenges associated with arthritis and how physiotherapists play a pivotal role in addressing these challenges. ● Skill Enhancement: Encourage Students to observe and learn from the seminars and practical sessions. Students will gain insights into specialized techniques and interventions used in arthritis management, broadening their skill set. ● Networking: Students got the opportunity to network with professionals and peers, fostering connections that can be valuable for

	<p>their future careers. Interacting with professionals who specialize in arthritis care provided valuable insights and mentorship.</p> <ul style="list-style-type: none"> ● Evidence based learning: Renowned experts in the field of orthopedics shared their knowledge and insights during seminars that guided students to design tailored exercise programs for patients that are supported with clinical outcomes and evidence. <p>Objectives for the Community:</p> <ul style="list-style-type: none"> ● 1. Awareness and Education: The primary objective for the community is to raise awareness about arthritis, its prevalence, and the impact it has on individuals. Through informational sessions, the community will be educated about the importance of early diagnosis and treatment. ● 2. Improved Access to Healthcare: By offering free consultations and health assessments, the event aimed to make healthcare services, particularly physiotherapy, more accessible to the community. This helped in identifying undiagnosed cases and improving access to care. ● 3. Empowerment: Arthritis patients were empowered with knowledge about self-management, exercises, and lifestyle modifications to enhance their quality of life. Workshops and seminars offered practical tools for managing their condition effectively. ● 4. Community Building: The event promoted a sense of community by encouraging individuals with arthritis to come together, share their experiences, and provide mutual support. Group activities and social interactions were organized to foster a sense of belonging.
<p>Beneficiaries of the Event (Student/Faculty/Community etc - 25 words)</p>	<p>Students and Faculty Members</p>
<p>Details of the Guests (Chief Guests, Speakers - Designation, Organization, if any please give them in Serial No)</p>	<p>Dr. Durga Shankar Dhillan is an accomplished medical professional with an M.S. in Orthopedics from PGIMER, New Delhi. He holds several prestigious fellowships in sports medicine and joint replacement from renowned institutions in Hongkong, Singapore, Mumbai, and Delhi. Dr. Dhillan also possesses a diploma in Sports Medicine from Switzerland.</p> <p>Currently, he serves as the Head of the Department for Joint Replacement, Sports Medicine, And Orthopedics at Kota Heart Institute and Shree Ji Super Speciality Hospital in Kota, a position he has held since 2019. He brings a wealth of experience from his previous role as a Senior Orthopedic</p>

	<p>Surgeon at PGIMER and Dr. Ram Manohar Lohia Hospital in New Delhi, which is under the Government of India.</p> <p>Dr. Dhillan's impressive surgical experience includes performing over 4,000 knee and shoulder arthroscopic surgeries and more than 3,000 knee and hip replacements. Additionally, he has served as an Orthopedic Consultant for the Parliament of India, providing his expertise to both the lower and upper houses.</p>
<p>Brochure or creative of the event</p>	
<p>Schedule of the Event</p>	<ol style="list-style-type: none"> 1. Welcome of Guest - 9.00 AM 2. Introduction of Event- 09.30-09.35 AM 3. The session started at 9.35- 12.15 PM. 4. The camp start – 1:00 PM 5. CMHO Speech- 1.30 to 1.45 PM 6. Camp Conclude- 3 PM
<p>Brief Description of the event</p>	<p>The event was scheduled from 9:30 am to 12:00 pm in the Auditorium, Career Point University and was marked by exciting gathering focusing on "Emerging Trends in Arthritis" and "Physiotherapy Management in Arthritis." This event was enlightening and engaging with a diverse agenda to enrich the knowledge of participants.</p> <p>The program kicked off with opening remarks by Simran, who introduced the event and extended warm greetings to all guest, Registrar, HOD, faculties and students. Following this, there was lamp lighting ceremony to mark the auspicious beginning of the event, with the participation of Registrar Sir, Deans, HODs, Dr. Dhillan, and faculty members.</p> <p>Gungun enchanted the audience with a mesmerizing</p>

Ganesh Vandana performance, setting the tone for the day. Dr. Pushendra Sir shared words of motivation, inspiring and encouraging everyone present.

Dr. Durga Shankar Dhillan, provided insights into his remarkable credentials. Dr. Dhillan then lead a seminar on "Emerging Trends in Arthritis," offering valuable insights into this important subject.

To add some artistic flair to the event, Sakshi presented a song, and the Physio Troop graced the audience with a lively dance performance. Dr. Divya followed the event with a seminar on "Physiotherapy Management in Arthritis," contributing further to our understanding of this critical area of healthcare. Students then present few physical activities to motivate all for improving mobility and strength to present joint disorders.

Harshit serenade the audience with another song, and the event continued with the ceremonial cake cutting, featuring our distinguished guest and faculty members. Dr. Sonakshi Sehgal delivered a word of gratitude, thanking all participants for their presence and contributions.

The event concluded on a patriotic note with the National Anthem, bringing everyone together in harmony.

Moreover, a community outreach physiotherapy camp was scheduled to begin at 1 PM, further extending the impact of this educational event to the community and providing clinical exposure to the students. In addition to the presence of physiotherapy professionals and students, the community camp was graced by a diverse group of healthcare experts from various specialties. These included professionals in Cardiology, ENT (Ear, Nose, and Throat), Gynecology, Pediatrics, Dentistry, General Medicine, Orthopedics, Ophthalmology (Eye specialist), Neurology, Hematology (Hemoglobin Test), as well as experts offering Blood Pressure and Sugar Testing services. This comprehensive team of medical practitioners ensured that the community outreach program covered a wide spectrum of healthcare needs, offering valuable services to the local community members.

SCHOOL OF AGRICULTURAL SCIENCES

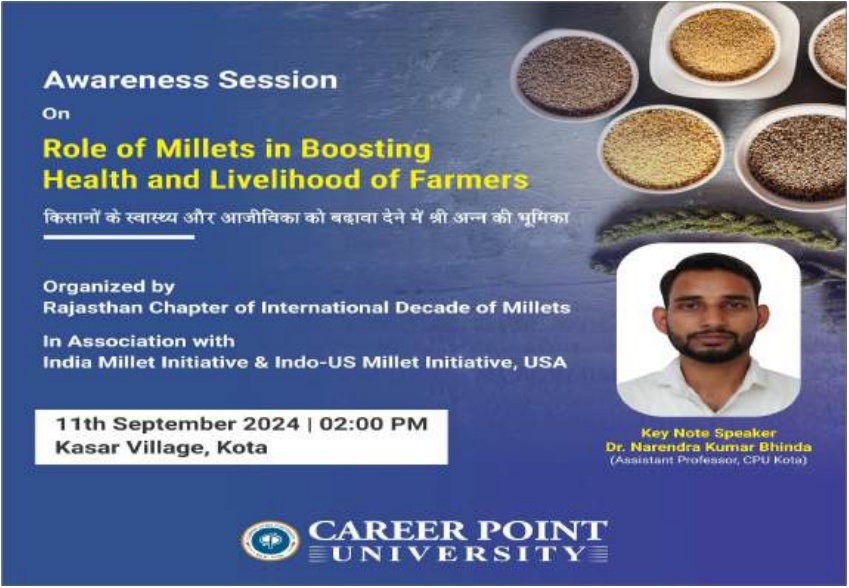

Title	Kisan Gosthi “Importance of Biofertilizer in Agriculture ”
Date	11 September, 2024
Introduction of the Event	<p>The "Kisan Gosthi" was organized under the supervision of Dr. Gunnjeet Kaur, Dean of the School of Agricultural Sciences at Career Point University. The chief guest, Mr. Kalu Beel, Sarpanch of Kasar Panchayat, was present. Along with the Agriculture Department, farmers from the village of Kasar participated enthusiastically in the program. They received valuable information related to agriculture and solutions to their agricultural problems.</p>
Objective of the Event	<ul style="list-style-type: none"> ● Educate on Bio-Fertilizers: To provide comprehensive information about what bio-fertilizers are, their types, and how they differ from chemical fertilizers. ● Highlight Benefits: To explain the advantages of using bio-fertilizers, such as improving soil health, enhancing nutrient availability, promoting sustainable farming practices, and reducing environmental impact. ● Demonstrate Application Techniques: To offer practical demonstrations on how to effectively apply bio-fertilizers, including proper dosage, timing, and methods of application. ● Address Soil Health: To discuss how bio-fertilizers contribute to soil fertility and structure, and how they can help in overcoming issues like soil degradation and nutrient imbalance. ● Foster Environmental Awareness: To raise awareness about the environmental benefits of using bio-fertilizers, such as reducing soil erosion, enhancing biodiversity, and decreasing pollution from synthetic chemicals.

Beneficiaries of the Event	<p>Farmers gain critical insights into the benefits and application of bio-fertilizers, which are natural substances used to enhance soil fertility and support plant growth. They directly benefit from learning about bio-fertilizers, which are natural or organic products that enhance soil fertility and plant growth. By adopting these, farmers can improve crop yields, reduce dependency on chemical fertilizers, and potentially lower costs. Bio-fertilizers improve soil structure and nutrient content, leading to healthier crops and potentially higher yields. This is particularly beneficial for rural farmers who may have less access to high-quality chemical fertilizers. Farmers learn about eco-friendly practices that reduce reliance on synthetic fertilizers and pesticides, promoting long-term sustainability and environmental health. Bio-fertilizers often cost less than chemical alternatives, providing a more affordable option for rural farmers who may have limited financial resources.</p>

Brief Description of the event	<p>The Kisan Gosthi, organized by the School of Agricultural Sciences, Career Point University, Kota, in Kasar Village on September 11, 2024, from 1:00 PM to 3:00 PM, was a focused event aimed at benefiting local farmers. Through expert-led discussions, the farmers gained insights into modern agricultural practices, advanced crop management techniques, pest and disease control, and water conservation methods. This interactive session also provided information on government schemes, subsidies, and support programs available to farmers. The primary benefit to farmers was enhanced knowledge, enabling them to increase productivity, reduce costs, and adopt more sustainable farming practices for long-term success.</p>

Title	Legal Awareness Camp on “Child Labour” conducted on 23rd October 2024 in Kewal Nagar, Alaniya
Date	23/10/2024
Introduction of the Event	Child labor is a pervasive global issue that involves the employment of children in work that deprives them of their childhood, potential, and dignity. This practice often occurs in hazardous conditions, where children are subjected to long hours and low wages, hindering their access to education and proper development. Driven by poverty, lack of education, and insufficient legal protections, child labor affects millions worldwide, especially in developing countries. Addressing this complex issue requires a multifaceted approach, including legal reforms, community awareness, and international cooperation to protect children's rights and ensure their well-being.
The objective of the Event (Bullet points or about 50 words)	<ul style="list-style-type: none">● Educate communities about child labor laws.● Promote children's rights and access to education.● Highlight the economic implications of child labor.● Encourage reporting and intervention in child labor cases.● Advocate for sustainable solutions to poverty. .

UNNAT BHARAT ABHIYAN

Title	Road Safety Rules Awareness Drive
Date	12th February 2025
Introduction of the Event	Career Point University, Kota, in collaboration with Unnat Bharat Abhiyan (UBA) and the National Service Scheme (NSS), is organizing a Road Safety Rules Awareness Drive to promote safe and responsible road behavior among the residents of Kasar Village. This initiative aims to educate the public on the importance of following traffic rules, wearing helmets and seatbelts, avoiding reckless driving, and being vigilant pedestrians.
Objective of the Event (Bullet points or about 50 words)	<ul style="list-style-type: none"> • To create awareness about road safety regulations and their importance in preventing accidents. • To sensitize villagers about responsible driving and pedestrian rules. • To engage NSS volunteers in a social outreach program that will benefit the community. • To foster collaboration between educational institutions and government agencies for effective road safety advocacy.
Beneficiaries of the Event (Student/Faculty/Community etc - 25 words)	Students, Faculty Members, and Community of Kasar Village
Details of the Guests (Chief Guests, Speakers - Designation, Organization, if any please give them in Serial No)	Mr. Ray Singh (Motor Vehicle Sub- Inspector , RTO Office, Jugpura, Kota)

<p>Brochure or creative of the event</p>	 <p>The brochure is a blue poster with white and yellow text. It reads: 'Career Point University, Kota Organising Road Safety Rules Awareness Drive Under the Initiatives of NSS & Unnat Bharat Abhiyan'. It lists a 'Special Guest' Mr. Ray Singh (Motor Vehicle Sub-Inspector, RTO Office, Jugpura) on '12th Feb 2025, Wednesday'. The schedule is '01:00 - 02:00 PM at Seminar Hall, 02:00 - 04:00 PM at Kasar Village'. Logos for Career Point University, NSS, and Unnat Bharat Abhiyan are at the bottom.</p>
<p>Schedule of the Event</p>	<p>01:00 PM to 04:00 PM</p>
<p>Brief Description of the event</p>	<p>Road safety is a crucial issue that affects every individual, irrespective of age, gender, or profession. With the increasing number of road accidents in India due to negligence, lack of awareness, and improper adherence to traffic rules, it is imperative to educate citizens about road safety measures.</p> <p>1. Meeting with Mr. Ray Singh (01:00 PM – 02:00 PM)</p> <p>The event commenced with an interactive session in the conference room at Career Point University. Mr. Ray Singh (Motor Vehicle Sub-Inspector, RTO Office, Jugpura, Kota) was invited as the special guest. He educated the NSS volunteers on fundamental traffic rules, the impact of road accidents, and essential preventive measures. Volunteers were trained to effectively communicate road safety awareness to village residents.</p> <p>2. Awareness Drive in Kasar Village (02:15 PM – 04:00 PM)</p> <p>Following the session, NSS volunteers proceeded to Kasar Village. The volunteers carried banners, placards, and pamphlets with key road</p>

safety messages. They engaged with the villagers through practical demonstrations and discussions, emphasizing the importance of following traffic rules. Volunteers distributed pamphlets and encouraged safe driving practices.

3. Outcomes and Conclusion

The initiative successfully raised awareness about road safety among the villagers. It contributed to reducing road traffic violations and instilled a sense of responsibility among university students. This collaboration between Career Point University, NSS, and government authorities reinforced the importance of road safety and the role of youth in promoting responsible driving behavior.

Title	Outreach Program “ <i>Learn to Cope</i> ”
Date	21st January, 2025
Introduction of the Event	<p>The School of Commerce and Management recently hosted an Outreach Program titled “Learn to Cope” at Mittal International School, Kota. With final exams approaching, students often experience heightened anxiety and pressure to perform well, which can negatively impact their emotional well-being, focus, and time management skills. The overwhelming burden of expectations, combined with the challenge of balancing academics and personal life, often leads to frustration, self-doubt, and burnout.</p> <p>Recognizing the need to provide students with practical coping mechanisms, this initiative was designed to equip them with effective strategies to manage stress, enhance concentration, and optimize their time efficiently. The session provided valuable insights on overcoming exam anxiety, prioritizing tasks, maintaining a positive mindset, and fostering self-discipline, ensuring that students are better prepared to handle academic challenges with confidence.</p>
Objective of the Event	<ol style="list-style-type: none">1. To let students learn to cope with the exam stress and anxiety.2. To help students manage their time during exams.

Beneficiaries of the Event	60 Students from 9th, 10th, and 11th Std. (Commerce, Science & Arts stream)
Details of the Guests	The session was coordinated by Dr. Pratima Rawal , accompanied by two BBA Final Semester students, Shadab Hussain and Anshita Sharma , who led the presentation. Additionally, Anshul Alex from the Photographia Club covered the event.
Brochure or creative of the event	
Schedule of the Event	The program commenced at 11:00 am and concluded at 12:30 pm on the same day.
Brief Description of the event	The "Learn to Cope" Outreach Program was successfully conducted at Mittal International School, Kota, by the School of Commerce and Management. The session was coordinated by Dr. Pratima Rawal, accompanied by Shadab Hussain and Anshita Sharma, two BBA Final

Semester students who led the presentation. Anshul Alex from the Photographia Club covered the event.

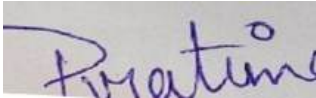

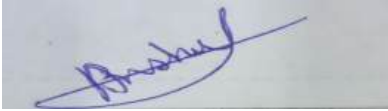

The session focused on helping students manage exam-related stress and time management challenges. It was conducted through an interactive PowerPoint presentation, where the student presenters shared key insights on effective stress management techniques, productivity tips, and time optimization strategies. This was followed by an insightful session by Dr. Pratima Rawal, who provided expert guidance on overcoming exam anxiety and maintaining a balanced approach to academics.

The event successfully engaged students equipping them with practical strategies to improve concentration, enhance academic performance, and develop a structured study routine. The session proved to be an enriching experience, leaving students more confident and better prepared for their upcoming exams.

Title	<i>“Gulab Se Gulal: Khushbu Se Rang Tak, Samridhi Ki Nayi Raah “</i>
Date	19-02-2025, Wednesday
Introduction of the Event	Introduction: A Kisan Sangosthi on 'Herbal Gulal Preparation and Its Benefits' was organized at Career Point University, Kota, Rajasthan. The session aimed to educate farmers about eco-friendly and natural ways to prepare herbal gulal using flowers, primarily roses. The event was attended by 29 farmers, including progressive farmers Shri Prahlad Ji Suman and Shri Jagdish Suman, who were honored with a token of respect.
Objective of the Event (Bullet points or about 50 words)	<ol style="list-style-type: none">1. To raise awareness about eco-friendly and chemical-free herbal gulal.2. To provide hands-on knowledge about the preparation process using flowers.3. To promote sustainable and profitable farm-based enterprises.4. To encourage farmers to adopt herbal gulal production as an additional income source.
Beneficiaries of the Event (Student/Faculty/Community etc - 25 words)	<ol style="list-style-type: none">1. Farmers: Gained knowledge about herbal gulal preparation and its market potential.2. Self-Help Groups (SHGs): Encouraged to take up gulal production as an entrepreneurial activity.3. Agricultural Entrepreneurs: Learned about value-added products from flowers and sustainable business opportunities.4. Local Communities: Benefited from awareness about

	<p>eco-friendly and chemical-free alternatives for festivals.</p> <p>5. Students and Researchers: Understood the scope of natural dyes and their application in various industries.</p>
<p>Details of the Guests (Chief Guests, Speakers - Designation, Organization, if any please give them in Serial No)</p>	<p>Dr. Guunjeet Kaur Associate Dean SOAS, CPU, Kota</p> <p>Mr Rohitashav Nagar Assistant Professor SOAS, CPU, Kota</p> <p>Dr. Ratnakar Pathak Assistant Professor SOAS, CPU, Kota</p> <p>Dr. Manish Srivastav Assistant Professor SOAS, CPU, Kota</p>

<p>Brochure or creative of the event</p>	
<p>Schedule of the Event</p>	
<p>Brief Description of the event</p>	<p>Brief Introduction: The session was inaugurated by the Dean, who provided an insightful briefing on Self-Help Groups (SHGs) and their role in empowering rural communities. She emphasized how SHGs can engage in the production and marketing of herbal gulal to generate sustainable income.</p> <p>Dr. Manish Kumar, Associate Professor (Food Processing), led the technical session, explaining the step-by-step process of preparing herbal gulal using rose petals. He elaborated on the importance of natural ingredients, the drying process, grinding</p>

	<p>techniques, and the final packaging methods. Demonstrations were conducted to provide practical exposure to the farmers.</p> <p>The session concluded with a 'Vote of Thanks' delivered by Dr. Maina Kumari, Coordinator of the Kisan Sangosthi. She appreciated the enthusiastic participation of farmers and encouraged them to explore innovative agro-based enterprises.</p> <ul style="list-style-type: none"> ● Participation of 29 farmers, including progressive farmers. ● Practical demonstration of herbal gulal preparation. ● Awareness about the benefits of eco-friendly and non-toxic gulal. ● Encouragement towards SHG-led production and marketing. ● Honor and recognition of progressive farmers. <p>Redemption of the Leaflet of the process for gulal making was also done by the Associate dean, faculty members and farmers.</p>

School of Legal Studies and Governance (SOLSG)

Title	Door-to-Door Legal Awareness Camp on occasion of International Women's Day.
Date	08.03.2025
Introduction of the Event	<p>On the occasion of International Women's Day, the School of Legal Studies and Governance, Career Point University, organized a Door-to-Door Legal Awareness Camp on 8th March 2025 at Kasaar village, Kota.</p> <p>The theme of the camp, "Justice for Her: Access to Legal Aid for Women," aimed to educate the local residents, especially women, about their legal rights and access to justice. The event witnessed active participation from both students and residents, making it an enriching experience for all.</p>
The objective of the Event (Bullet points or about 50 words)	<p>The legal awareness camp was conducted with the following key objectives:</p> <ol style="list-style-type: none">1. To Educate Residents: Informing residents about the significance of women's roles in shaping society, workplaces, and households.2. Legal Education: Providing residents with knowledge about women's legal rights and equipping students with practical exposure to legal processes.3. Legal Aid & Justice: Recognizing women's achievements, promoting gender equality, and informing residents about available legal aid resources.

	<p>4. Preventive Legal Measures: Teaching residents about potential legal problems and how to take proactive steps in avoiding them.</p> <p>5. Practical Experience for Students: Allowing students to engage with village residents, understand their legal concerns, and gain first-hand experience in legal aid initiatives.</p>
Beneficiaries of the Event (Student/Faculty/Community etc - 25 words)	Students.
Details of the Guests (Chief Guests, Speakers - Designation, Organization, if any please give them in Serial No)	Village Development Officer, Kasar
Brochure or creative of the event	
Schedule of the Event	<p>Date & Day – 8th March, 2025 Saturday</p> <p>Time - 10:00 A.M.</p> <p>Venue –Kasar Village, Kota (Rajasthan)</p>
Brief Description of the event	<p>The legal awareness camp featured a range of activities aimed at educating and engaging the community:</p> <ol style="list-style-type: none"> 1. Door-to-Door Legal Awareness Drive: Teams of students visited households to interact with residents and inform them about essential women’s rights, such as protection against domestic violence, property rights, and access to legal aid services.

	<ol style="list-style-type: none">2. Interactive Sessions & Discussions: Open discussions were conducted where women shared their challenges, and legal experts provided solutions.3. Distribution of Informational Pamphlets: Booklets and brochures highlighting women's rights under Indian law were distributed. 4. Legal Aid Desk: A help desk was set up where residents could seek free legal guidance on issues such as domestic violence, dowry harassment, and workplace discrimination.5. Community Engagement Activities: Students and faculty engaged in informal conversations to build trust and encourage participation.

Title	Expert Lecture at Kisan Gosti, Organized by Deputy Director, Agriculture Extension & Project Director, ATMA, Kota, Rajasthan
Date	12/06/2025
Introduction of the Event	<p>The Kisan Gosti, organized by the Deputy Director of Agriculture Extension and Project Director of the Agricultural Technology Management Agency (ATMA) in Kota, Rajasthan, on June 12, 2025, is a vital initiative to empower farmers through knowledge exchange and capacity building. This event brings together farmers, agricultural experts, and policymakers to discuss innovative practices tailored to the region's diverse cropping systems, including wheat, soybean, and coriander. The expert lecture at this Kisan Gosti focuses on critical themes for sustainable agriculture: Kharif crop management, natural farming, water conservation, and crop insurance. These topics address the pressing needs of farmers in Kota Rajasthan, where climate variability, water scarcity, and economic risks challenge agricultural productivity. By providing actionable insights and practical solutions, the event aims to enhance farm resilience, optimize resource use, and ensure economic security for farmers in the Kharif season and beyond.</p>
Objective of the Event	<ul style="list-style-type: none">● Promote Natural Farming: Educate farmers on natural farming practices, emphasizing organic inputs, biodiversity, and soil health to enhance sustainability and reduce chemical dependency.● Enhance Kharif Crop Management: Provide knowledge on best practices for kharif crop cultivation, including seed

	<p>selection, pest control, and nutrient management, to maximize yields in the monsoon season.</p> <ul style="list-style-type: none"> ● Encourage Water Conservation: Promote efficient water management techniques, such as rainwater harvesting, drip irrigation, and contour bunding, to ensure sustainable water use in water-scarce regions. ● Raise Awareness on Crop Insurance: Inform farmers about crop insurance schemes, like Pradhan Mantri Fasal Bima Yojana, to mitigate financial risks from climate-related losses and encourage adoption.
<p>Beneficiaries of the Event (Student/Faculty/Community etc - 25 words)</p>	<p>A total of 95 farmers from Ladpura Tehsil actively participated in the Kisan Gosti event.</p>
<p>Details of the Guests (Chief Guests, Speakers - Designation, Organization, if any please give them in Serial No)</p>	<ol style="list-style-type: none"> 1. Schedule of the Event	12/06/2025
Brief Description of the event	<p>The Kisan Gosti, organized on June 12, 2025, by the Deputy Director of Agriculture Extension and Project Director of the Agricultural Technology Management Agency (ATMA) in Kota, Rajasthan, serves as a pivotal platform for empowering farmers from Ladpura Tehsil through knowledge exchange and capacity building, fostering collaboration among farmers, agricultural experts, and policymakers to promote sustainable agricultural practices tailored to the region's diverse cropping systems, including wheat, soybean, and coriander.</p>

The event features a comprehensive expert lecture led by Dr. Naresh Sharma, who provides in-depth guidance on kharif crop cultivation, with a particular focus on optimizing paddy and soybean production through best practices in seed selection, pest management, and nutrient application to maximize yields during the monsoon season. Mr. Rohitashv Nagar highlights the significance of natural farming, emphasizing organic inputs, biodiversity enhancement, and soil health preservation to reduce chemical dependency and promote long-term sustainability. Additionally, Mr. P. C. Choudhary addresses water conservation, introducing farmers to techniques such as rainwater harvesting, drip irrigation, and contour bunding to combat water scarcity and ensure efficient resource use in Kota's semi-arid climate. By delivering actionable insights and practical solutions, the Kisan Gosti aims to enhance farm resilience, improve productivity, and mitigate economic and environmental risks, ensuring sustainable agricultural development and food security for the region.

Title	Radio Talk at Kisan Chaupal, Akashvani Kota-Bundi Channel, Kota (Rajasthan).
Date	16/06/2025
Introduction of the Event	<p>On June 16, 2025, at 07:15 PM IST, the "Kisan Chaupal" program, broadcast by Akashvani Kota-Bundi Channel under Prasar Bharati, hosted an insightful radio talk by Mr. Rohitashv Nagar, Assistant Professor, Department of Agronomy, School of Agricultural Sciences, Career Point University, Kota. This session, designed to empower farmers through knowledge dissemination, focused on the transformative potential of millets in sustainable agriculture. Mr. Nagar highlighted the economic and nutritional benefits of millets, emphasizing their resilience to climate variability, low input requirements, and suitability for rainfed farming systems in Rajasthan. He provided detailed guidance on millet cultivation practices, post-harvest value addition through food processing, and opportunities for millet-based startups to boost farmer incomes. Additionally, he introduced the government's "Shree Anna" initiative, which aims to promote millets nationally and globally, aligning with goals of nutritional security, human health, and sustainable agricultural development, inspiring farmers to integrate millets into their cropping systems for a resilient and prosperous future.</p>
Objective of the Event	<ul style="list-style-type: none">● Promote Millet Cultivation: Educate farmers on integrating millets into cropping systems due to their climate resilience, low input needs, and suitability for rainfed conditions in Kota, Rajasthan.

	<ul style="list-style-type: none"> ● Highlight Economic Benefits: Emphasize the economic advantages of millet farming, including low production costs and high market potential for farmers. ● Ensure Nutritional Security: Raise awareness about millets' role in enhancing nutritional security and promoting human health through their rich nutrient profile. ● Detail Cultivation Practices: Provide step-by-step guidance on cultivating various millet types to optimize yields and ensure successful production. ● Encourage Value Addition: Promote post-harvest processing and food technologies to enhance the value of millets and create marketable products. ● Foster Millet-Based Startups: Highlight opportunities for entrepreneurial ventures in millet processing and marketing to boost farmer incomes.
