CAREER POINT UNIVERSITY

Institutional Initiatives Promoting Ethical Values and Inclusive Practices

Career Point University (CPU), Kota actively promotes a holistic and ethically driven institutional culture rooted in core values such as integrity, honesty, respect, fairness, inclusivity, accountability, and social responsibility. These principles are deeply embedded in the University's governance structure, institutional policies, codes of conduct, and academic regulations, and are closely aligned with its vision and mission.

The University adopts a structured and proactive approach to promoting ethical awareness and responsible behaviour among students and faculty. This is achieved through well-designed academic initiatives, sensitization programmes, awareness campaigns, and the observance of significant national and international days related to ethics, human rights, and social justice.

During the reporting period, Career Point University conducted a range of value-based and ethics-oriented activities aimed at cultivating a safe, respectful, and inclusive academic environment. Notable initiatives included the Orientation Meet – 2024, Expert Talk on the Art of Patent Writing, celebration of World Pharmacist Day 2024, Waste to Wealth initiative, White Coat Ceremony, Moot Court Competition, and an Interview with Legal Delight. These activities addressed key themes such as ethical conduct, cultural diversity, gender equity, human values, social responsibility, and global citizenship, thereby contributing to the overall personality development of students and the professional growth of faculty members.

Through such continuous efforts, the University ensures that ethical values are not only outlined in policy documents but are actively practiced and reinforced across both academic and co-curricular domains. The University further maintains transparency and accountability by systematically documenting these activities through IQAC records and institutional reports. By integrating ethical principles and inclusive practices into its academic and administrative processes, Career Point University, Kota demonstrates its commitment to nurturing a responsible, inclusive, and globally conscious academic community that contributes meaningfully to society.

Brief Description of the event	The Orientation Meet commenced with a warm welcome by the anchors, followed by the welcome address from the Vice-Chancellor. Students were also addressed by the Chancellor, Mr. Pramod Maheshwari, who emphasised the importance of academic excellence and personal growth during the university years. Certificates to students who came first in the previous semesters were also distributed. Cultural programs were held to set an active mood for the freshers. The event featured as an ice-breaker activity, allowing new students to meet and network with their peers. Representatives from various student clubs and societies were present to share information on extracurricular opportunities, encouraging active participation in campus life. The Orientation Meet provided students with a comprehensive understanding of the environment they will be a part of for the next few years.

Activity Report of Expert Talk

The Art of Patent Writing

Title	**Expert Talk on The Art of Patent Writing**
Date and Time	30/08/2024, 10:00 am
Introduction of the Event	Patent writing involves drafting a legal document known as a patent application, which seeks to protect an invention by granting exclusive rights to the inventor. This process includes describing the invention in detail, explaining how it works, and outlining the claims that define the scope of the patent protection. Patent writing requires precision and a clear understanding of both the invention and the legal requirements for patentability. It is typically done by a patent attorney or agent who has the expertise to draft a document that meets the rigorous standards of patent offices and can withstand potential legal challenges.
The objective of the Event (Bullet points or about 50 words)	Understanding the Innovation Process: Intellectual Property (IP) Education Navigating the Patent Process Promoting a Culture of Innovation Linking Ideas to Market Needs
Beneficiaries of the Event (Student/Faculty/Community etc - 25 words)	•Protect Unique Ideas and Inventions • Enhance Your Competitive Edge • Attract Investment and Funding • Generate Revenue Through Licensing • Foster Innovation and R&D Initiatives • Legal Protection • Technology Transfer

	• Global Reach:
Brief Description of the Event	•Patent writing involves drafting a legal document known as a patent application, which seeks to protect an invention by granting exclusive rights to the inventor. •This process includes describing the invention in detail, explaining how it works, and outlining the claims that define the scope of the patent protection. •Patent writing requires precision and a clear understanding of both the invention and the legal requirements for patentability. •It is typically done by a patent attorney or agent who has the expertise to draft a document that meets the rigorous standards of patent offices and can withstand potential legal challenges. •**Types of Patents:** •**Utility Patents:** These are the most common type of patents and cover new and useful processes, machines, manufactures, or compositions of matter, or any new and useful improvement thereof. •**Design Patents:** These protect new, original, and ornamental designs for an article of manufacture. •**Plant Patents:** These are granted to anyone who invents or discovers and asexually reproduces any distinct and new variety of plant. •Name of Applicant •Name of Inventor •Title •Abstract •Background •Detailed Description •Objectives •Drawing/Flow Diagram

	•Claims •Conclusion •**Importance of a Thorough Patent Search** A thorough search of existing patents (prior art) is crucial to ensure that your invention is novel and non-obvious. •**Using Patent Databases** Tools like Google Patents, the United States Patent and Trademark Office (USPTO) database, and international databases for conducting searches. •**Analyzing Prior Art** Understanding how to evaluate prior art to determine the novelty and potential patentability of your invention. •Visit the Comprehensive e-filing portal. •Please remember to do the following •Install Digital Signatures prior to Registration •Agent names are validated as per the "Register of Patent Agents" in IPAIRS at www.ipindia.gov.in •Fill the registration form. If a user is already registered s/he can log in using the User ID and Password or Digital signature. In the event of password loss, user can login with Digital Signature and reset the password. •Once logged in, the users can file their applications using the "Quick form filing" option.

TItle	Waste to Wealth
Date	16/10/24
Introduction of the Event	Welcome to our exciting club activity on "Waste to Wealth," where we will explore the incredible potential of turning natural waste into valuable products using **Lemongrass** and **Aloe Vera**. These two plants are not only known for their medicinal and therapeutic properties, but they are also key to sustainable living and eco-friendly innovation.
Objective of the Event (Bullet points or about 50 words)	The purpose of this activity is to promote environmental sustainability by transforming agricultural waste from lemongrass and aloe vera into useful and marketable products. By doing so, we aim to: ● Minimize waste ● Encourage green practices ● Foster creativity in developing eco-friendly solutions ● Generate potential income sources from byproducts
Beneficiaries of the Event (Student/Faculty/Community etc - 25 words)	Students from various departments
Details of the Guests (Chief Guests, Speakers - Designation, Organization, if any please give them in Serial No)	NA

Brochure or creative of the event	Schedule of the Event	1. Harvesting and Distillation of Lemongrass oil 2. Harvesting and Aloevera Gel formation
Brief Description of the event	1. **Composting Organic Waste**: We will demonstrate how to compost leftover parts of lemongrass and aloe vera to create nutrient-rich organic fertilizers. 2. **Essential Oil Extraction**: A workshop will be conducted on how to extract essential oils from lemongrass waste, which can be used in perfumes, soaps, and aromatherapy. 3. **Crafting and Eco-Products**: Participants will learn to create handmade eco-friendly products like candles, natural air fresheners, and cosmetics using lemongrass and aloe vera waste. 4. **Organic Skincare Development**: Aloe vera waste will be used to make skincare products like soaps, scrubs, and lotions.

Title	White Coat Ceremony (Batch 2024)
Date	19 October 2024
Introduction of the Event	The White Coat Ceremony is a symbolic event held for medical students, marking their transition from pre-clinical to clinical studies. During the ceremony, students are presented with their first white coats, representing their commitment to professionalism, compassion, and ethical responsibilities as future healthcare providers. It emphasizes patient-centered care.
Objective of the Event	1. Promote awareness of the humanistic aspects of medicine. 2. Inspire dedication to lifelong learning and improvement in medical practice. 3. Set expectations for patient-centered care and medical ethics. 4. Install a sense of responsibility and professionalism in future healthcare providers. 5. Highlight the importance of empathy and compassionate patient care. 6. Reinforce ethical standards and commitment to patient well-being.

Beneficiaries of the Event (Student/Faculty/Community etc. - 25 words)	Faculty: Celebrate the progress and growth of their students. Families: Share in the achievement milestones of students. Healthcare Institutions: Benefit from the development of future compassionate professionals. Community: Gains future healthcare providers committed to ethical, patient-centered care.
Details of the Guests (Chief Guests, Speakers - Designation, Organization, if any please give them in Serial No)	Dr. Navneet Parashar, Additional Principal, Kota Medical College. Mr. Deepak Kulshrestha, CEO, Kota Heart Institute. Dr Vinay Gulati, PT

SCHOOL OF LEGAL STUDIES AND GOVERNANCE

TItle	MOOT COURT COMPETITION (Practical Exam)
Date	08/04/2025
Introduction of the Event	The Moot Court Competition was organized as a part of the academic curriculum to provide students with practical exposure to courtroom proceedings and legal advocacy. Mooting is a vital co-curricular activity in legal education that bridges the gap between theoretical knowledge and its practical application. The competition was conducted under the supervision of the Moot Court Committee and aimed to enhance students' research skills, legal reasoning, drafting, and oral advocacy. The event witnessed enthusiastic participation from students across both BBA.LL.B and LL.B programs. Participants prepared memorials and presented oral arguments on two thoughtfully drafted moot propositions—one based on civil law and the other on criminal law. Each team represented either the petitioner or the respondent side and was assessed by a panel of distinguished judges comprising legal professionals and faculty members.
Objective of the Event (Bullet points or about 50 words)	The objective of the Moot Court Competition was to develop students' legal research, analytical thinking, drafting, and advocacy skills by simulating real court proceedings. It aimed to cultivate professionalism, confidence, and courtroom etiquette, thereby preparing students for future roles in litigation and other areas of the legal profession.
Beneficiaries of the Event (Student/Faculty/Community etc - 25 words)	Students
Details of the Guests (Chief Guests, Speakers -	

Designation, Organization, if any please give them in Serial No)	
Brochure or creative of the event	
Schedule of the Event	
Brief Description of the event	The Moot Court Competition was conducted as a part of the practical examination for BBA.LL.B 8th Semester and LL.B 4th Semester students, in accordance with the course requirements. It served as the evaluation component for the subject *Moot Court (LBC525)*, carrying 100 marks. Students were required to prepare for both civil and criminal moot propositions, representing either side (petitioner or respondent). They were assessed on their memorial submissions and oral arguments by a panel of faculty and legal experts. The competition provided a platform for experiential learning, helping students apply legal principles in simulated court settings.
