Title	हरित सप्ताह
Date	3-7 JULY 2024
Introduction of the Event	In a world where environmental concerns are increasingly taking center stage, it is essential for educational institutions to lead by example in promoting sustainable practices. With this vision in mind, the National Service Scheme (NSS) at Career Point University is proud to present हरित सप्ताह (Green Week), with a special focus on a comprehensive Tree Plantation Drive on the 3rd of July, 2024. They purify the air by absorbing pollutants, provide oxygen, prevent soil erosion, and offer habitat and food to wildlife. Additionally, green spaces have been shown to improve mental well-being, reduce stress, and enhance the overall quality of life. Thus, our tree plantation initiative is not just about planting trees but about nurturing a sustainable future. We invite all members of the Career Point University community to join us in this green initiative. Together, let's make our campus a
