Agenda Items

1. Deliberation on the planning and execution of outreach programmes aligned with the Sustainable Development Goals (SDGs).
2. Evaluation and enhancement of existing Green Campus initiatives to promote environmental sustainability.
3. Discussion on effective strategies and best practices for energy conservation across the campus.
4. Planning and conducting awareness programmes on SDGs for faculty members, staff, and students.
5. Review of the structure and functioning of committees engaged in sustainability and SDG-related initiatives.
6. Examination and discussion of Green, Energy, and Environment Audit practices and outcomes.
7. Consideration of any other matter with the approval of the Chair.

Proceedings of the Meeting

The Chairperson formally opened the meeting by welcoming all members and reaffirming the University's strong commitment to institutional sustainability and climate-focused initiatives.

- The Committee agreed that SDG-oriented outreach programmes would be conducted continually, with systematic documentation and publication through the University's official digital platforms.
- Ongoing green campus practices were examined in detail, and the necessity to further reinforce eco-friendly and sustainability-driven initiatives across the campus was stressed.
- Deliberations were held on strengthening energy efficiency, including the adoption of energy-saving technologies, expansion of renewable energy usage, conducting regular energy assessments, and incorporating Greenhouse Gas (GHG) evaluations.
- To enhance engagement and awareness on SDGs, the Committee proposed organizing a range of academic and participatory activities such as interactive sessions, knowledge competitions, training workshops, and invited expert talks.
- The Committee also reviewed the operational synergy among existing sustainability-focused committees and emphasized the importance of improved coordination for effective implementation.

- The need for periodic Green, Energy, and Environment Audits was reaffirmed to ensure continuous monitoring, accountability, and improvement of sustainability practices.

The meeting concluded with a vote of thanks by the Chairperson, appreciating the valuable contributions of all members.
