

Ref. No.: CPUK/RO/UBA/2024/03A

Date: July 1, 2024

Notice

Extension of University Resources to Adopted Villages under Unnat Bharat Abhiyan (UBA)

In pursuance of the objectives of **Unnat Bharat Abhiyan (UBA)** and the vision of Career Point University, Kota to strengthen community engagement and rural development, it has been decided that the University shall extend selected institutional facilities for the benefit of residents of the adopted villages, namely:

- **Mandana**
- **Gopalpura**
- **Alaniya**
- **Kalma ka Kuna**
- **Kasar**

Policy Provisions:

1. Sports Facilities:

- University sports grounds, indoor courts, and stadium shall be made available for use by village youth on designated days for practice and tournaments.
- Inter-village tournaments (Kabaddi, Volleyball, Cricket, etc.) shall be organized annually in collaboration with UBA Cell.

2. Library Access:

- Limited access to the University Central Library will be provided to senior school/college students from the adopted villages.
- Temporary library passes will be issued after due approval of the University Librarian and UBA Coordinator.

3. Auditorium and Seminar Halls:

- University auditorium and seminar halls may be used for cultural programs, awareness workshops, and exhibitions related to rural development.
- Prior permission shall be sought from the Registrar's Office at least 10 days in advance.

CAREER POINT UNIVERSITY

4. Computer and Digital Learning Facilities:

- Computer labs will be utilized for digital literacy camps and e-governance training for villagers.
- Training programs shall be coordinated by the Department of Computer Science in association with the UBA Cell.

5. Health and Wellness Facilities:

- Health camps, yoga sessions, and community wellness activities shall be organized on the University campus in collaboration with the School of Health & Allied Sciences.

Implementation and Coordination:

- The **UBA Cell of the University** shall coordinate all activities in consultation with the concerned Heads of Departments and local Gram Panchayats.
- Faculty members, staff, and students are encouraged to actively participate in this initiative as part of the University's social responsibility.
- All activities conducted under this policy must be documented and reported to the UBA Cell for submission to the Ministry of Education.

Objective:

This initiative aims to strengthen the bond between the University and its surrounding communities, promote inclusive development, and ensure effective utilization of institutional resources for the benefit of society at large.
