# Career Point University - Enhancing Knowledge, Building Careers

Career Point has been developing great minds for more than two decades. Continuing the tradition of excellence in delivering quality education and to push forward the boundaries of knowledge to positively impact people's lives, we started universities at Kota and Hamirpur.

Our Universities are having state-of-the-art infrastructure, best academic facilities and experienced faculty to help you to realise your full potential. We follow time-tested internationally acclaimed credit based system. All our courses are designed to provide you excellent learning, requisite expertise, rewarding qualification, practical exposure, hands-on-learning and desired skills for a successful career.

---

Both the universities are included in the list of Indian Universities maintained by University Grants Commission (UGC) and Association of Indian Universities (AIU)

## Career Point University, Rajasthan

The campus is spread over 50 acres and situated at education city Kota in the state of Rajasthan. It was established in 2012 by Rajasthan State Legislature under "Career Point University Act". It is a government recognised university with the right to confer degree as per the section 2(f) and 22(f) of the UGC Act, 1956.

## Career Point University, Himachal Pradesh

The campus is spread over 30 acres, surrounded with lower Himalayas at Hamirpur district in the state of Himachal Pradesh, India. It was established in 2012 by the Himachal Pradesh State Legislature under "Career Point University Act". It is a government recognised university with the right to confer degree as per the section 2(f) and 22(f) of the UGC Act, 1956.

More About the University

# CPU Academic System

## *System for Imparting Knowledge*

Career Point University's academic system works with "Student First" approach and takes all necessary actions to provide best education and facilities to our students. Academic system at Career Point University is built around experimental learning where the students are motivated to understand conceptual framework and apply them. Career Point University follows the world's best IIT education system to support every student to realize their potential with an experiential approach in the academics. The academic system of Career Point University is students' centric giving students an opportunity to participate and enhance their knowledge, skills & understanding in multi-disciplinary environment. The experiential learning ensures that the knowledge imparted to students work for building a strong career.

### **Key aspects of CPU academic system are -**

- ❑ **Inter-disciplinary & Flexible curriculum**
- ❑ **Learning beyond Classroom**
- ❑ **Credit Based Academic System**
- ❑ **Project & Industry integration**
- ❑ **Active Student Life**

The academic system of CPU is just not limited to course curriculum but also to inculcate various skills which are essential for student to become professional and leaders of tomorrow.

I'm Bhavika Gupta, 3rd sem LLB at CPU. Just completed an internship at Supreme Court Legal Services Committee, New Delhi! Grateful to CPU's faculty and practical approach for this opportunity. Selected for another internship at Delhi International Arbitration Centre, Delhi High Court starting Jan. Proud to be part of CPU!

**Bhavika Gupta**

# Teaching & Learning

*Knowledge that works*

Research into higher education suggests that students learn best when they are actively participating, whether that be through focused listening, discussion, problem solving or explaining to others. The teaching and learning at CPU, encourages independent critical thinking and analysis, assessing you not only on your academic knowledge but also on skills that employer's value, such as how to work as part of a team, make presentations and tackle problems creatively.

## Key aspects of CPU academic system are -

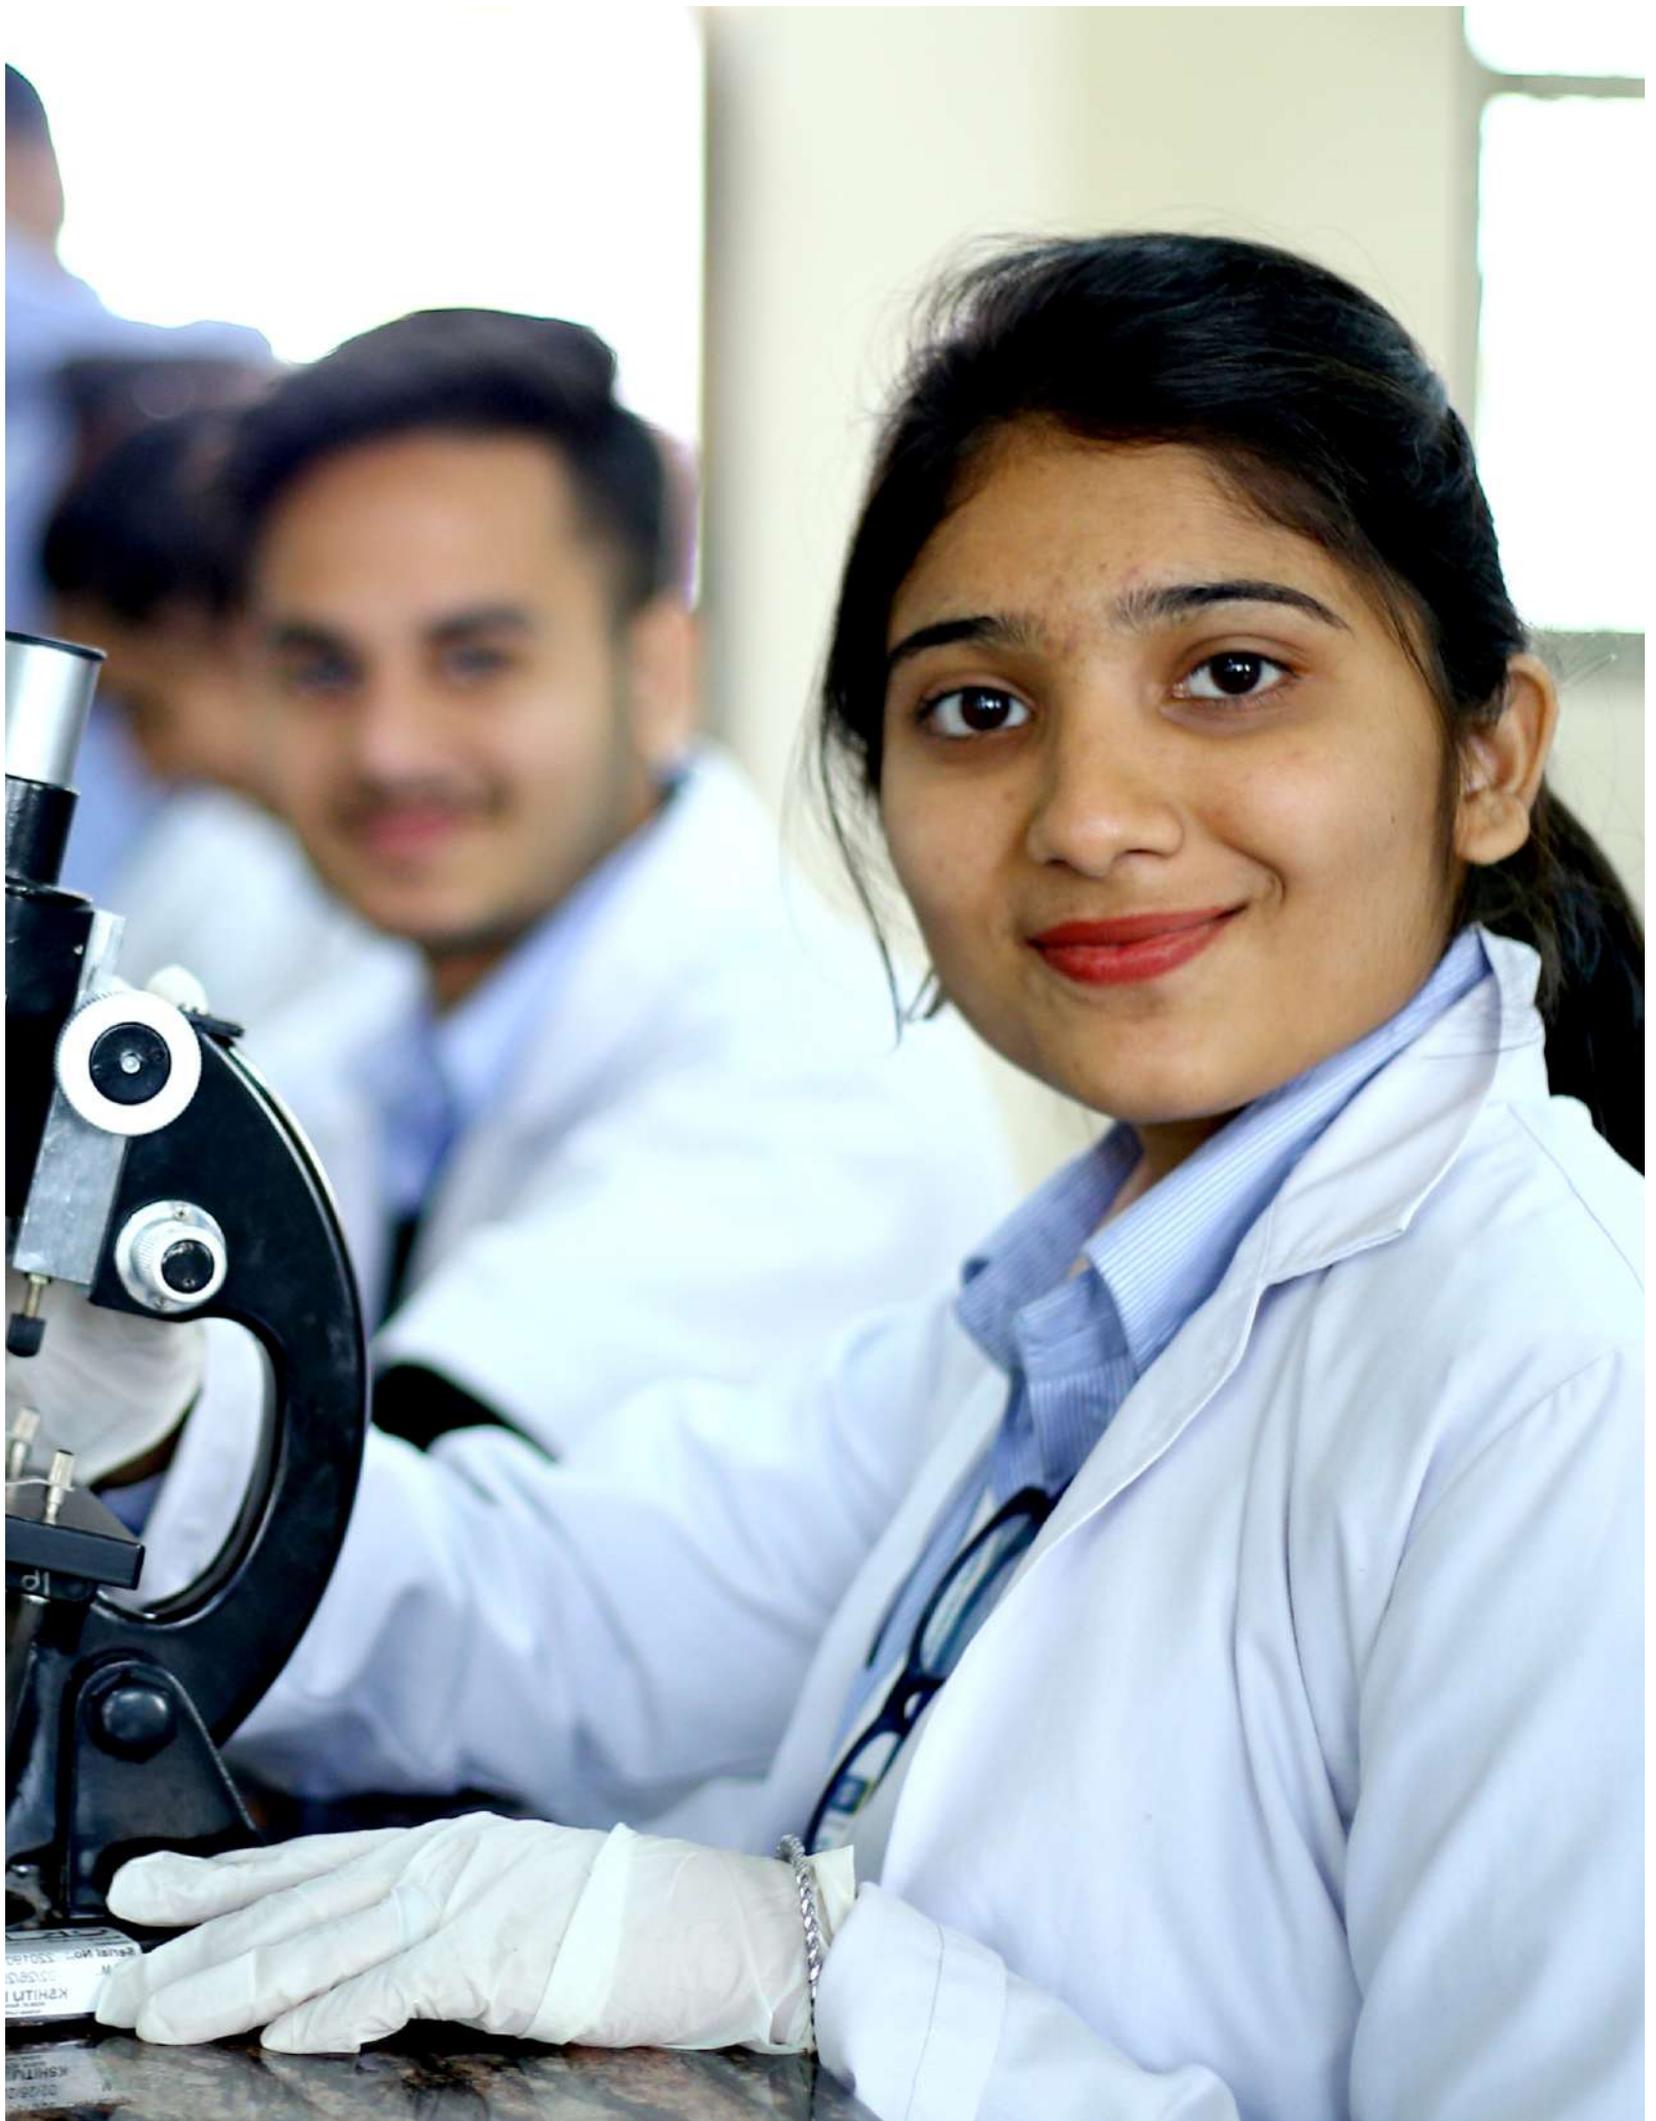

- ❑ Classroom Studies
- ❑ Guest Lectures
- ❑ Assignments
- ❑ Project Works
- ❑ Case Study
- ❑ Role Play & Exercises
- ❑ Quizzes & Exams
- ❑ Instrumented Feedback

We pride ourselves on the quality of the education we provide. All subjects are taught by experts as per the latest industry requirements, ensuring that outdated techniques are eliminated from the course content. Practical skills are a vital part of any course, and it is important that the laboratory and project work should integrate well with the taught courses. As such, not only laboratory experience but also individual and team project work are given a high priority during the teaching and learning at CPU. All the courses at CPU are designed as per the needs of industry to ensure you acquire the skills and knowledge necessary in your chosen career.

From internships with top companies to study abroad programs, Career Point University, Kota offers countless opportunities to expand your horizons. I discovered my passion for environmental science here, thanks to fieldwork experiences I couldn't have found elsewhere

Priya Vijay working with  Piramal Finance

# Faculty

*Brightest Mind to Mentor the Best Brain*

We believe that the students' learning is determined greatly by the quality of teachers they have. To ensure high quality of teaching, our leadership team has handpicked teaching staff; majority of them are from premier institutions having distinguished academic achievements to their credit and are actively involved in teaching, research and consultancy. Our faculty members come from a wide range of backgrounds and bring varying academic experiences and approaches. We also ensure that our faculties are up-to-date with the latest trend in the field of academics and its application in the industry. We also have pool of experts from industry, business, government and research institutions to ensure mix of real world experience and academia. The CPU faculty and staff work together to provide an outstanding learning environment to our students.

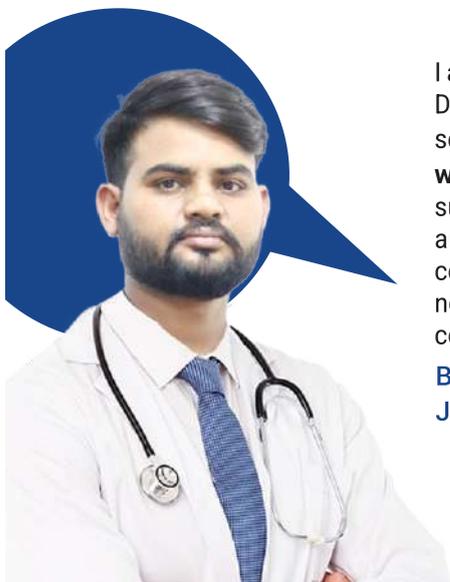

## One-on-One Mentorship

To monitor the performance of students, each student is assigned one faculty member as a mentor. Mentor records the profile of student with regards to academic performance and participation in extra-curricular activities. Mentor help students build a set of curricular & extracurricular experiences that align with their interests and goals. Students can contact their mentor for any academic or non-academic issue during the session.

I am Badal Verma, a proud student of the Physiotherapy Department at Career Point University. I have been selected as a **Junior Physiotherapist at AIIMS Delhi with an All India Rank of 21**. I sincerely credit my success to Career Point University for its excellent academic environment, experienced faculty, and constant support throughout my journey. The university not only provided quality education but also shaped my confidence and skills to achieve this milestone.

**Badal Verma**  
Junior Physiotherapist, AIIMS, Delhi

# Campus

## Academic Infrastructure

Career Point University campus is situated in a serene and pollution free environment. The University has modern and state-of-the-art infrastructure that goes a long way in facilitating a number of services for the students as well as the staff members. The campus has been designed by renowned architects specialized in educational architecture. We pride ourselves on our dynamic and state-of-the-art campus having facilities which include classrooms equipped with latest teaching aids for focused learning, auditorium which acts as a common ground for students, faculty and corporate personalities for regular interfaces, conferences and other events, library with the wide range of text books, reference books and journals by well-known Indian & International authors, computers & other laboratories with latest equipments, cafeteria, sports facilities, excellent student's amenities and much more. The campus provides an ambience perfectly conducive to teaching, learning and research.

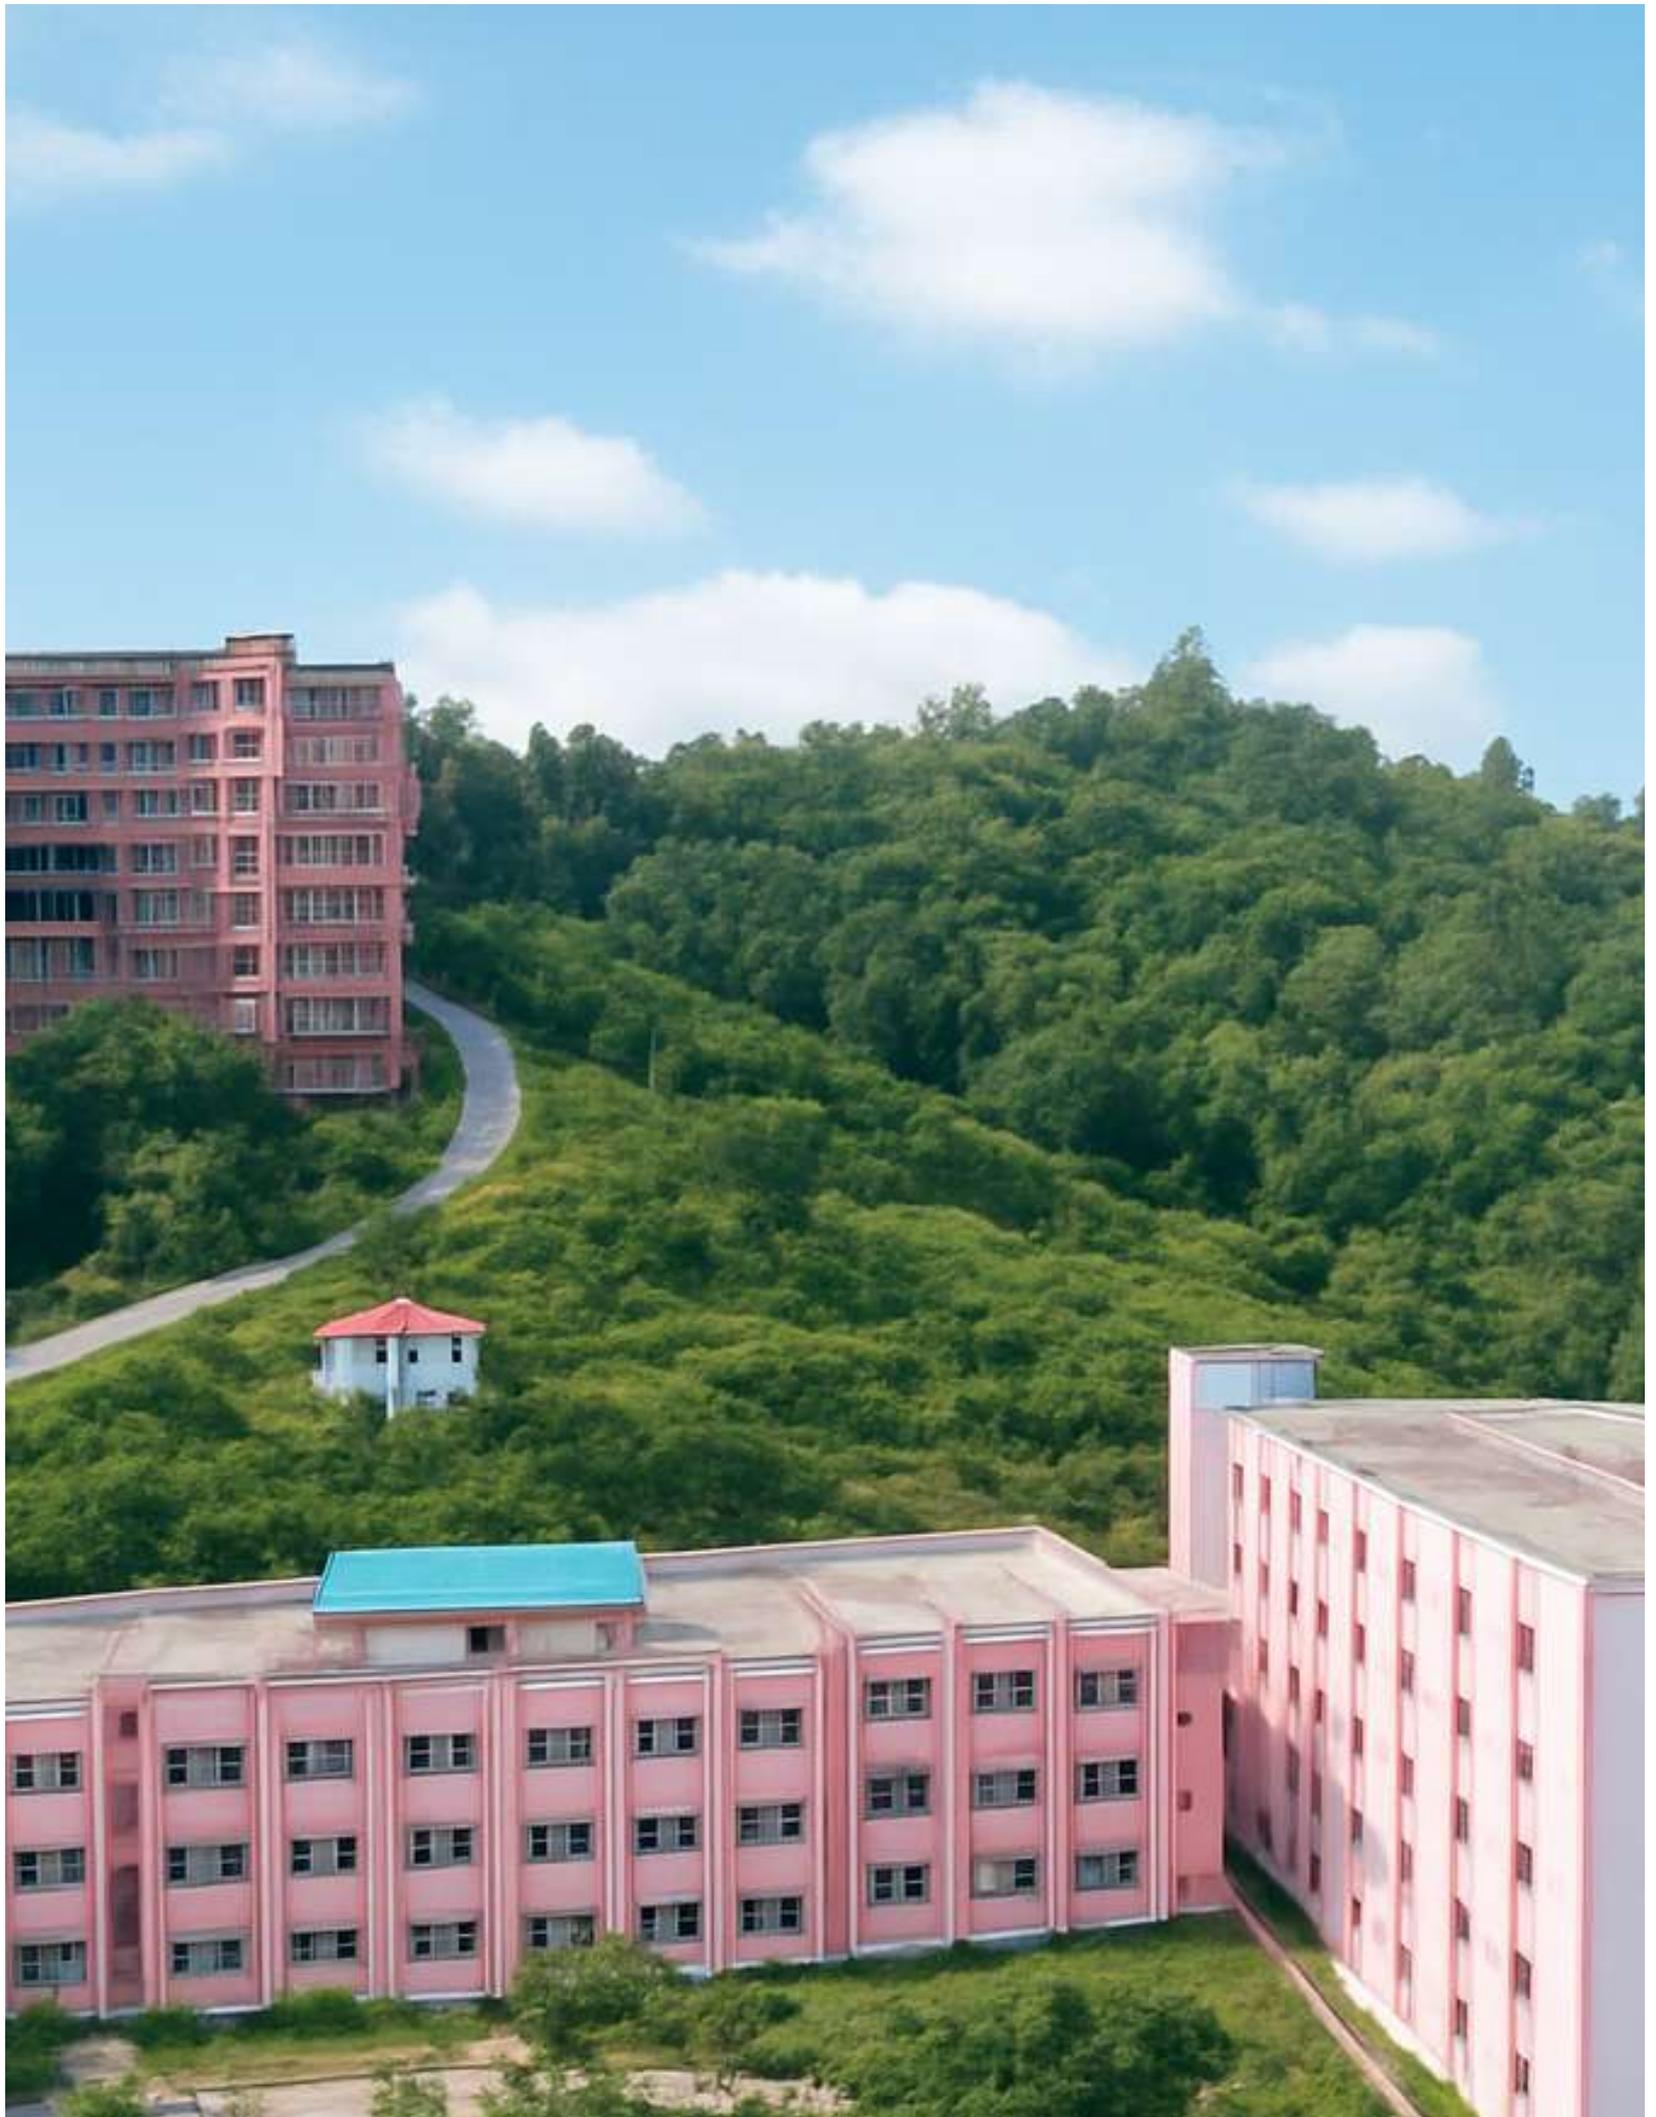

### Academic Facilities:

- ▶ Departmental Store
- ▶ Xerox and Courier service
- ▶ Transportation Facility

# Research Innovation & Entrepreneurship

## Research

The Career Point University revels to have the highest standards of research with eminent research faculties to match the best in the region. Outstanding research works of our students have been rewarded with international and national recognitions and awards.

## Innovation

Career Point University has implemented an innovation fund policy to provide initial financial support to students to develop something innovative and useful for the society or the mankind. Later the option is always open to file a patent of the work done by the scholars. This is to provide them support and recognition in all their future endeavors. Hybrid Car and Commercial production of Solar Lamp are the initial appreciable steps taken by our students

## Entrepreneurship

The University inculcate entrepreneur skills among students during the learning process so that the future leaders come forward and start their own venture as an "Entrepreneur". Instead of job seekers they should be job provider or employers.

### Startup Oasis (A Joint Venture of RIICO & CIIE – IIMA)

Startup Oasis is a Jaipur based incubation centre that is developing an ecosystem in Rajasthan to inspire and support students, aspiring entrepreneurs and start-ups to solve persistent problems, develop breakthrough innovations and create world class enterprises.

Startup Oasis has been set-up at the joint initiative of RIICO and the Centre for Innovation, Incubation and Entrepreneurship (CIIE) at IIM Ahmedabad

# Convocation

Many faces of success

Lok Sabha Speaker Mr. Om Birla Graces CPU's Convocation Ceremony as a Chief Guest

Convocation Ceremony is an integral part of formal course completion where the chancellor confers of the degree to the graduate & post graduate students.

## **Student Development Program**

---

We understand that student's success is not solely defined by grades - in today's world students must have excellent life skills. CPU grooms students in multi-dimensional areas thereby enabling them to effortlessly face the challenges of corporate world and also to become a better human being once they have completed their education. Life skills like - Leadership skills, team skills, decision making capability, ability to think on feet, presentation skills, analytical bent of mind, innovation, pleasing personality, communication skills, positive attitude etc. are few of the qualities which we aim to develop among the students. Regular classes are conducted for providing the students a base to develop their reading and writing skills. We have professional trainers for soft-skills and personality development. The pre-final and final year students are given extra grooming through an exclusive two month program called "Campus to Corporate" which enables students to not only get their dream job but also seamlessly blend into the corporate world.

## **Learning Life Skills by Doing**

---

"Experience makes man perfect" - Hence to build life skills, we prefer that our student must learn these by doing. That's why all activities at CPU are planned & executed by students enabling them to manage the real life challenges effectively. This transforms students from enthusiast youths to result oriented professional.

Career Point University has given me a great platform to explore and show my talent. From joining the D&D Club to becoming its President, CPU has always supported me and given me opportunities to perform and grow. Through various extracurricular activities and events, I got exposure, confidence, and chances to improve my skills. CPU has truly helped me bring out the best in myself.

# Training & Placement

Utmost importance is given to the training & placement related activities to ensure that placement for its students.

Dedicated Training and Placement Cell works round the Year and closely coordinates with various organizations and corporate houses to know their training & recruitment schedule, process and plans.

Training and Placement Cell invites experts from industry on regular basis to provide information to our students on current requirement of industry, employment trends and also conducts mock interviews, GDs and provides soft skills training before formal placements.

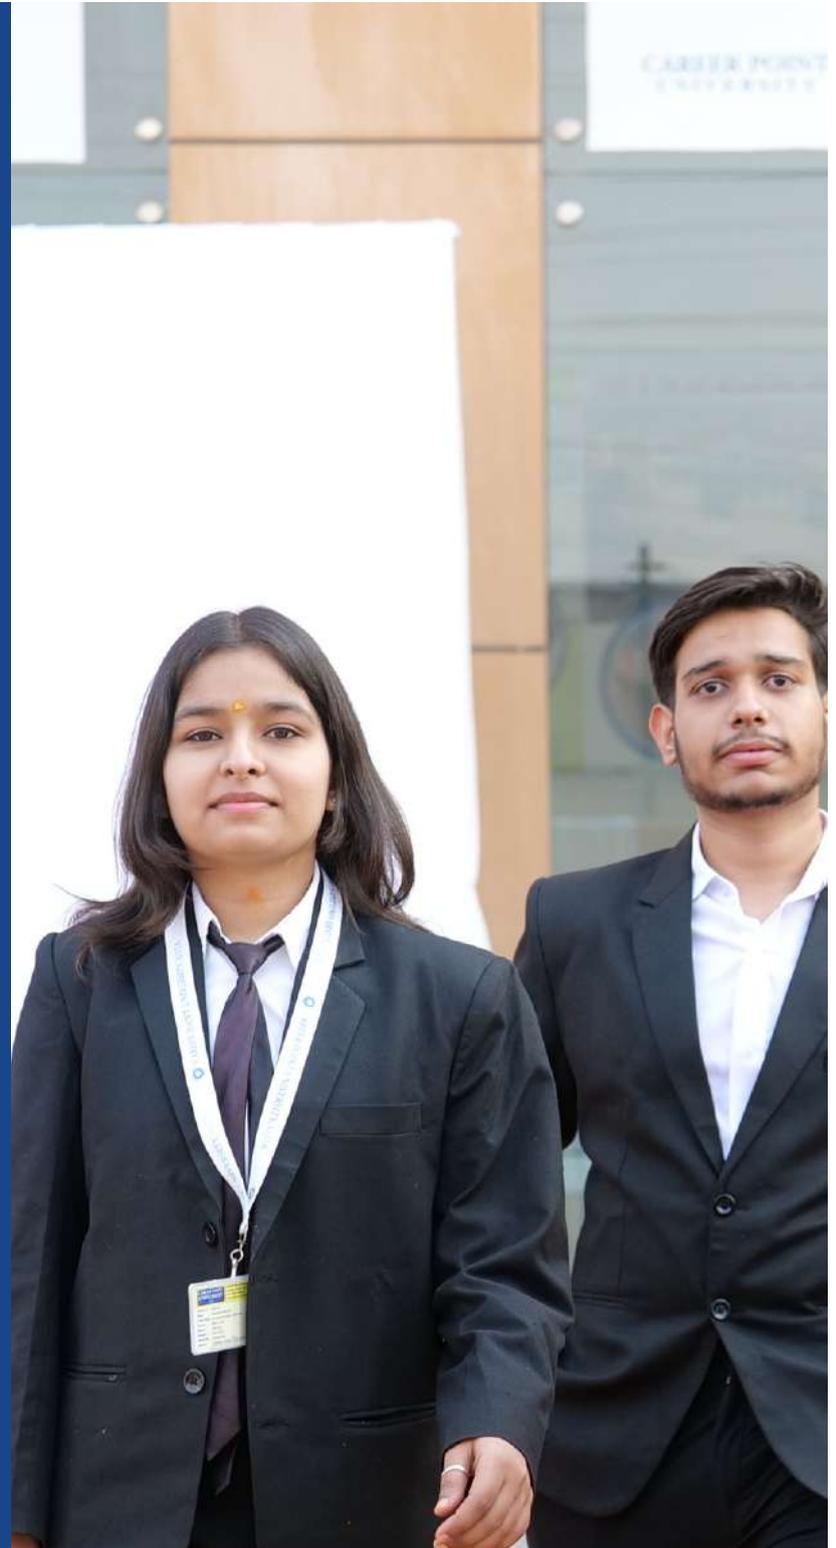

Once our students are prepared we conduct formal placement programs where companies visit campus and recruit students.

## Journeys That Inspire

*CPU inspired me to turn my entrepreneurial dream into a startup*

We grow, process and pack agricultural products free from chemicals obtained from 100% natural process. I was a member of Entrepreneurship Development Cell which encouraged us to explore huge opportunity in entrepreneurship. Thank you CPU for the support and guidance.

Abhinandan Gupta (BBA) Startup 

*The ED Cell gave us the confidence to build our own IT startup*

Samtec Ltd, UK is a comprehensive IT company mainly serving the education sector in the Europe, America and Australia. Our software is used by over 200 educational institutes. Recently our Annual turnover crossed Rs. 1 Cr. Without ED Cell at CPU we could not even think of setting up a startup successfully. Experts at ED Cell guided us in every step of gaining knowledge about startup.

Murtaza (BCA) Startup 

*The support and guidance at CPU helped me turn my dream into reality.*

CPU gave me strong technical knowledge, practical exposure and confidence which helped me reach this position. I am thankful to my faculty and the placement support team for guiding me towards this success.

Rahul Yadav (B.Tech) working with **SAMSUNG**

*The mentorship and placement support helped me secure my role at LearnBay*

I have been placed at LearnBay with a package of 9 LPA in Bengaluru. I sincerely thank the Training & Placement Cell at CPU for their constant support like soft skill enhancement programs, interview cracking sessions and other student development activities. This achievement reflects the collective support and encouragement I received along the way.

Arpita Singh (BBA) working with

# Incubation Center for Entrepreneurship Development

The Career Point University Business Incubator was established in the university campuses to foster Entrepreneurship and Research & Development (R & D) among students. It facilitates the development of an innovative and entrepreneurial ecosystem at the local, regional, and institutional levels. The centres follow a community-oriented approach to enhance the social entrepreneurship sector's capacity development within the local community.

It has collaborations with the Institutions Innovation Council, New-Delhi, Micro Small Medium Enterprises Business Incubation Jaipur, Institute for Industrial Development New-Delhi and Department of Industry Govt of Himachal Pradesh under the Chief Minister's Start-up /Innovation Projects /New Industries Scheme.

A Memorandum of Understanding (MoU) was signed with these institutions and Career Point University, Kota and Hamirpur to undertake and promote entrepreneurial activities in the region.

The funds to the tune of rupees 80,00,000 (Eighty lakhs) were provisioned to give support for entrepreneurial and managerial development of Small and Medium Enterprises (SMEs) To undertake and promote entrepreneurial activities in the region.

## The incubation centers are equipped with the following facilities and support services:

- Advisory and mentoring support
- Administrative and secretarial support
- Funding assistance from the Department of Industries and angel investors
- Technical lab/workshop facilities
- Networking opportunities and connections with industry professionals and investors

**Mushroom Production using Modern Technology** During my B.Sc. in Agriculture from Career Point University, Kota, I have taken training in mushroom cultivation. My mentor encouraged me for mushroom cultivation set up, and in Kota, we made a structure of 400 square feet. In this setup 600 bags of mushrooms was prepared. There is very few requirement of soil or manure. With the help of coolers we maintained 35 degree temperature in the mushroom shed. We got 100 kg mushroom yield in first two months. Before packing it is dried in sunlight or machine. We did not use any pesticide hence it is an organic mushroom.

# Office of International Affairs (OIA)

## About Office of International Affairs

The Office of International Affairs (OIA) at CPU manages the various aspects of the Institute's international engagement. OIA takes various initiatives to build cross-cultural competency and inculcate a sense of global citizenship amongst students, faculty members, researchers and other professionals. Some of these initiatives are:

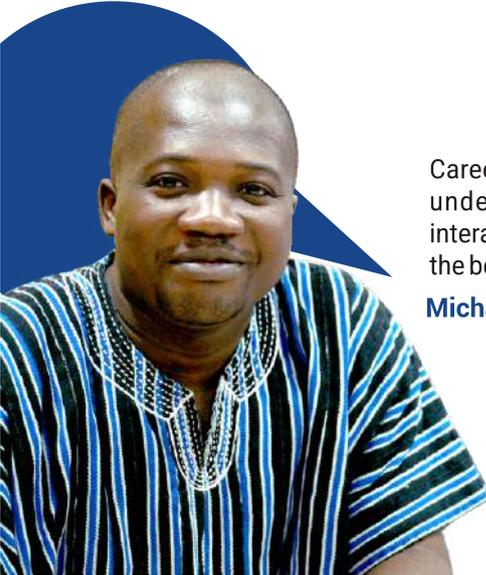

- w International Admissions
- w Students exchange programs
- w Multi Campus programs with credits transfer
- w Content integration and twinning programs
- w International immersion & Study Tours
- w Research collaborations
- w Faculty exchange and training

OIA is in-charge of coordinating all international activities, advancing a strategic plan for internationalization, fostering & nurturing international partnerships, as well as developing innovative programs for faculty and students.

## International Student Admission

Career Point University (CPU) welcomes students and interns from different parts of the world. With its global outlook, CPU offers learning opportunities both inside and outside the classrooms and provides an ideal platform to international students to pursue higher education and share experiences. Along with this, the facilities and extra-curricular activities within the university provide students a truly vibrant campus life. The University values the diversity and promotes international & multi-cultural understanding.

The Office of International Affairs is nodal point to have one point contact for all international students in case they require any kind of support.

Career Point University gave me the opportunity to undergo my Doctoral studies without stress. The interaction between students and supervisors was just the best. I am Glad to be identified with CP University.

# Sports & Recreation

Want more energy and better concentration? Then getting active is the answer! At Career Point University, we believe staying fit is not only beneficial for the body but also for the mind. Sports and recreation activities play a vital role in overall development of the students. Outdoor sports are as essential as indoor recreation to keep students stress free. Students refresh themselves by indulging in outdoor games like football, cricket and hockey. For those who prefer the indoors there are facilities for table tennis, chess and carom etc Students can also use health clubs and other facilities.

## The incubation centers are equipped with the following facilities and support services:

- Football
- Cricket Ground
- State of the art courts for Basketball, Tennis and Volleyball
- Sports Complex for Indoor Games Like Badminton, Table Tennis, Chess and Caroms etc.
- Gym & Yoga Center

I used to play Kabaddi in my childhood but I didn't get the platform. When I got admission in Career Point University, I got many opportunities to play for CPU. I have played National University Games two times and participated in spardha event in IIT BHU once. I have also represent CPU team as captain in west zone kabaddi championship at Rani Durgavati Vishwavidyalaya Jabalpur, Madhya Pradesh.

**Hitesh Sharma, B.Sc (Agriculture)**  
Lead Team CPU in West Zone Kabaddi Championship

# Academic & Career Programs

We educate students on both professional development and degree-awarding courses. They come either to enhance an already chosen career, or to move to a new one. We bring a wide array of multi-disciplinary skills to address a number of fields. Project where students will aim to resolve real world problems. The emphasis is on problem solving, teamwork and application of knowledge. The design and execution of courses makes them truly interactive. We have created a student centered learning environment where students with talent & ambition drive transform their dreams into reality.

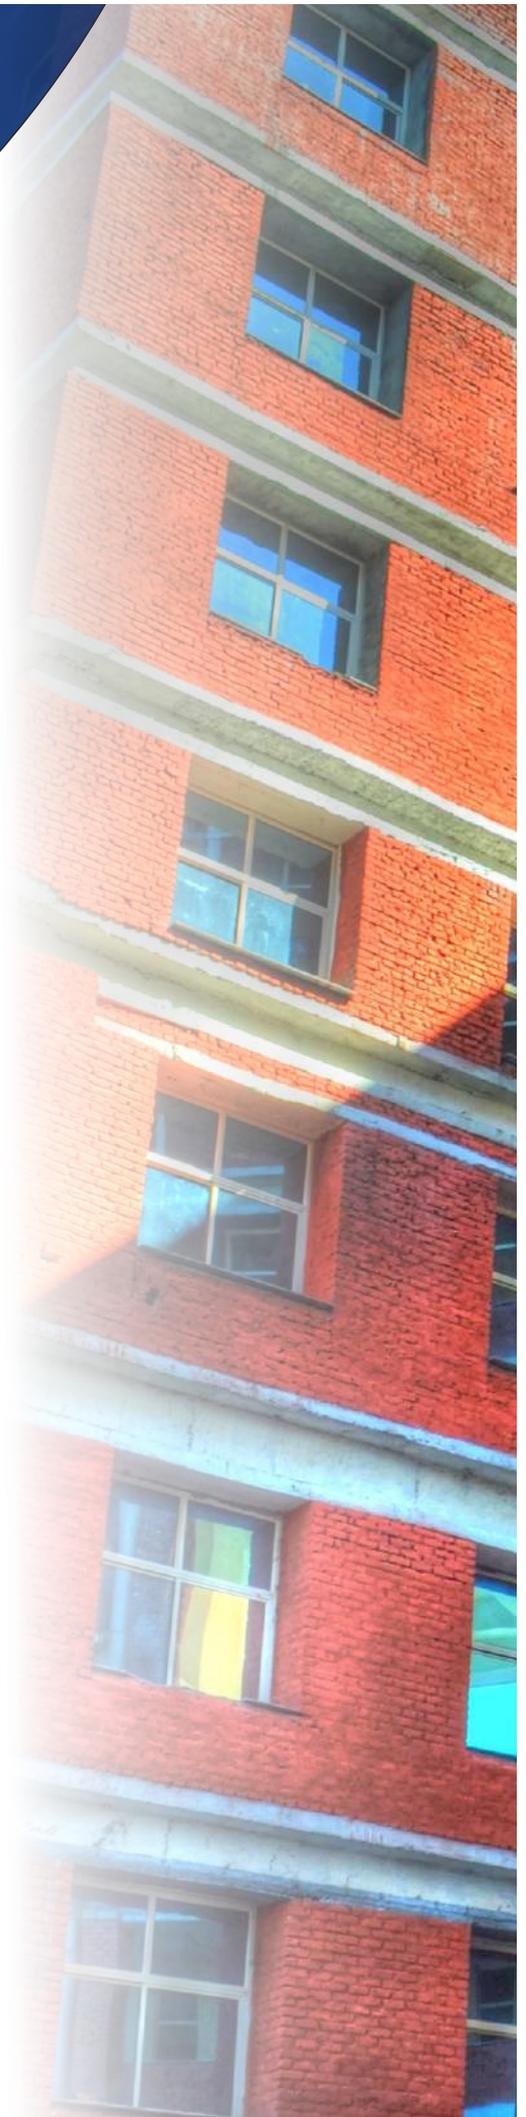

## **Skill & Employability Enhancement Program (SEEP)**

*Communication | Presentation | Interview | Management | Confidence Building*

Each student undergoes through SEEP. This program includes various courses focusing on Personality Enhancement, Employability Enhancement Job Specific skills development and Soft Skills Development. This ensures our graduates possessing a right blend of knowledge, skills and attitude to be successful.

## **Career Point University Offers Various Courses under following Schools:**

- Career Point School of Engineering and Technology
- Career Point School of Computer Application
- Career Point School of Commerce and Management
- Career Point School of Health and Allied Sciences
- Career Point School of Hotel Management
- Career Point School of Basic and Applied Science
- Career Point School of Agricultural Sciences
- Career Point School of Legal Studies & Governance
- Career Point School of Arts and Humanities
- Career Point School of Library and Information
- Career Point School of Education

PROGRAMS

# Career Point School of Engineering and Technology

The Career Point Institute of Technology aims at producing socially responsible engineers who will be leaders and innovators of tomorrow. The graduates will be capable of designing and building outstanding technological solutions and creating & managing enterprises for the development of the global economy.

The curriculum integrates different areas of engineering, mathematics and science with arts, humanities and entrepreneurship; and focuses on building a range of life skills essential for a successful career. The institute brings together outstanding academics, industry professionals, experienced researchers and the latest facilities to deliver a unique hands-on and multi-disciplinary learning experience. The emphasis is on learning by doing.

---

## Features

- Well-equipped advanced labs
- Highly qualified faculties with practical experience
- Student Development Programs and Technical Workshops in latest technology
- Lectures by industry experts, entrepreneurs & technocrats
- Paper presentation and opportunity to take part in techno-fests at IITs and NITs
- Industrial visits in renowned industries

---

## Value Addition Courses

- Industry Linked Specialization
- Personality Enhancement Program
- Skills Development

---

## Value Addition Courses

- C/C++/Java/Python Programming Lab
- Data Structures Lab
- Operating Systems Lab
- Internet of Things Lab
- Machine Learning & Pattern Recognition
- Data Analysis using Python Lab
- Database Management Lab
- Computer Graphics Lab
- Web Technology Lab
- PHP Lab
- Networking Lab
- Android Lab
- Soft Skills Lab

---

## Programs Offered

- ▶ Polytechnic Diploma (Computer Science)  
Duration: 3 Years [for class 10<sup>th</sup> pass] / 2 Years [Lateral Entry in 2<sup>nd</sup> Year for ITI or 12<sup>th</sup> pass students (PCM)]
- ▶ B.Tech [CSE- AI & ML, Data Science, Cloud Computing, Full Stack Development, Cyber Security]  
Duration: 4 Yrs for class 12<sup>th</sup> pass with PCM, PCB / 3 Yrs for Lateral Entry in 2<sup>nd</sup> Yr for Polytechnic Diploma
- ▶ B.Tech Lateral Entry [Polytechnic any Branch Pass, B.Sc. Maths Pass]
- ▶ M.Tech [CS, AI & ML, Cloud Computing, Cyber Security] ▶ Ph.D  
Duration: Full Time - 2 Yrs

# Career Point School of Computer Applications

Career Point School of Computer Application has modern facilities for teaching, learning and research. The school provides a stimulating academic environment encompassing best of modern pedagogy, industry-relevant curriculum. The school has the ideal teaching-learning environment and follows continuous evaluation system. The curriculum offers a wholesome coverage of technical subjects and specializations in programming, web applications, mobile app development and networking. It is further strengthened with practical, projects and industry training.

## Features

- Well-equipped advanced labs
- Highly qualified faculty with practical experience
- Student Development Programs and Technical Workshops
- Lectures by industry experts, entrepreneurs and technocrats
- Paper presentation and opportunity to take part in techno-fests at IITs and NITs

## Value Addition Courses

- Industry Linked Specialization
- Personality Enhancement Program
- Skills Development

## Lab Facility

- Application Development with Android
- Visual Programming Lab with C#
- Web Technology Lab
- Java Programming Lab
- Unix and Shell Programming Lab
- C, C++ Lab
- PHP Lab
- English Lab
- OS Lab
- Data Structures Lab
- Advanced Java Lab
- Advanced .NET with AJAX & MVC
- Database Mgmt System Lab
- Computer Graphics & Multimedia Lab

## Programs Offered

- ▶ BCA\* (3 Years)
- ▶ MCA\* (2 Years)
- ▶ M.Sc - Computer Science (2 Years)
- ▶ B.Sc.-IT (3 Years)
- ▶ PGDCA (1 Year)
- ▶ Ph. D
- ▶ M.Sc.-IT (2 Year)

\*Specialization: Data Science, Cloud Computing, AI & Machine Learning, DevOps, IOT, Cyber Security

# Career Point School of Commerce & Management

The School of Commerce and Management has been established with a vision to prepare future business leaders. Besides the curriculum, the School focuses on personality development, leadership traits to groom future managers. The School has an in-house incubation centre to assist the aspiring entrepreneurs to work on their dream projects from conception to completion. The School has industry and institutional linkages to facilitate internship, guest lectures by senior managers and leaders.

## Features

- Highly qualified and experienced faculty with Academic and Industry exposure.
- Industry oriented courses in collaboration with various institutes.
- Tie-up with industries and institutes for internship and placement.
- Value addition courses for better placement opportunities.

## Academic Collaboration

- Finitatives Learning India Pvt. Ltd.(FLIP)
- Backers (USA)
- Safeducate
- ACCA (UK)

## Value Addition Courses

- **Industry Linked Specialization:** Corporate Affairs | Retail Management | Banking | e-Commerce | Accountancy & Finance | Capital Market | Operation & Logistics | Real Estate Management | Media Management | PR & Advertising | Leadership
- **Personality Enhancement Program:** Spoken English | Business Communication | Presentation Skills | Relationship Management | Time Management | Negotiation Skill
- **Skills Development:** Microsoft Office Specialist etc

## Programs Offered

- ▶ B.Com (3 Years)
- ▶ BBA+ MBA (4 Years)
- ▶ BHA - Hospital Administration (3 Years)
- ▶ MBA - Supply Chain Management (2 Years)
- ▶ MBA - Hospital Management (2 Years)
- ▶ MBA - Family Business & Entrepreneurship (2 Years)
- ▶ BBA\* (3 Years)
- ▶ PGDM (1 Year)
- ▶ MBA\* (2 Years)
- ▶ MBA - Health Management (2 Years)
- ▶ MBA - Banking & Capital Market (2 Years)

# Career Point School of Health & Allied Sciences

The prime objective is to provide educational opportunity in the fields of Physiotherapy, Pharmaceutical Sciences, Paramedical Sciences, Public Health and the allied departments. The aim is to offer the appropriate education and training to the students to take-up the challenges as per modern global health-care scenario. The training and practical inputs are provided through strong industry collaborations along with leading hospital and health-care industry experts. The curriculum is designed by a blend of theory, practice and clinical exposure whereas the theoretical knowledge is provided through regular class room sessions and by engaging expert lectures.

## Features

- Approved by PCI New Delhi and Govt. of Raj.
- Highly Qualified faculties
- Well Equipped Laboratories
- Drug Information centre
- Regular in-campus OPD for hands on experience
- Tie-ups with top hospitals for internship across India
- End-to-end skill building focussing on improving the employability
- Expert Lectures by industry experts, entrepreneurs & technocrats
- Industrial tours to fill the gap between industry and academia
- State-of-the-art Library
- Free Certification Courses of World's top universities

## Programs Offered

- ▶ Department of Pharmacy
  - D.Pharm - Allopathy, Ayurveda (2 Years)
  - B.Pharm (4 Years)
  - B.Pharm - Lateral Entry (3 Years)
  - B.Sc - Microbiology (3 Years)
  - M.Pharm (2 Years)
  - *Specialization: Pharmacology | Pharmaceuticals*
  - M.Sc - Microbiology (2 Years)
  - M.Sc - Pharmaceutical Chemistry (2 Years)
- ▶ Department of Physiotherapy
  - BPT (4.5 Years)
  - MPT (2 Years)
  - *Specialization: Ortho, Neuro, Sports, Cardio*
- ▶ Department of Paramedical Sciences
  - B.Sc (MLT) - Medical Laboratory Technology (3 Yrs)

# Career Point School of Agricultural Sciences

Career Point School of Agricultural Sciences has a mission to impart agricultural education for rural and urban students to bring the agricultural prosperity. The aim of the department is to create advancement in education and research with multi dimensional knowledge for our students as well as farming community.

## Features

- Well Qualified & Experienced Faculty
- Project based learning in collaboration with industry/ Research Institutes
- Value Added Program in Each Semester
- National & Foreign study tours
- Dedicated training & placement cell
- Vibrant & active student life

## Lab Facility

- Plant Biotechnology, Plant Physiology & Biochemistry
- Agronomy & Crop Research Centre (CRC)
- Integrated Pest Management (IPM)
- Food Processing and Post Harvest Technology
- Agriculture Microbiology & Soil Science
- Horticulture & Plant Tissue Culture
- Plant Breeding and Genetics
- Seed Technology

## Value Addition Courses

# Career Point School of Legal Studies & Governance

Career Point Law School fosters the skills to comprehend and diagnose the intricacies of various legal and other inter-disciplinary issues and devise solutions to these problems through analysis and reasoning. The stimulating and interactive academic environment of the Institute helps to hone the Drafting, Research, Advocacy, Interviewing and Negotiation-skills of the students. To accomplish this, the college arranges a number of curricular and extra-curricular activities. Students are trained in essence of the substantive laws, techniques of procedural laws, methods of client counseling and skills in legal and social sciences research etc.

The Moot Court Competitions, Client Counseling Sessions, Quiz Contests, Seminars, Group Discussions and Expert Lectures etc. are regular feature the academic calendar of the School. The School also exposes its students to the 'law in action' through compulsory internships which provides free legal services to the economically weaker sections of the society as a part of community outreach programme of the School, it also offer opportunities to the students to work in co-ordination with practicing lawyers.

---

## Features

- Advance Moot Court and Library
- Live Court Visits
- Regular Preparation of Judiciary Competitive Exams
- Highly qualified faculties with practical experience
- Lectures by industry experts, legal experts & advocates
- Practical Exposure through live projects under guidance of experts
- Regular Legal Aid Clinic Sessions
- Legal Laboratory
- Problem Based Learning Methodology
- Paper presentation
- Student Development Programs

# Career Point School of Arts and Humanities

Career Point College of Arts and Humanities is meant for providing students an understanding of the basic principles and fundamental laws of how people process and document the human experience and culture. The college through its various activities articulate significant social, literary, and political perspectives found in humanities. The college offers courses in all traditional and specialized subjects in art, literature, humanities, music, philosophy, language, intercultural communication.

## Features

- Advanced library with reading room
- Qualified faculty with practical experience
- Student Development Programs & Personality Grooming
- Lectures by experts, authors, administrators, guest faculty and renowned personalities
- Paper presentation

## Learning Objectives

- Fostering intellectual curiosity, global knowledge, critical thinking, personal responsibility & ethical and cultural awareness.
- Establish a framework for students to develop an aesthetic appreciation for fine arts.
- Prepare students to be responsible citizens, lifelong learners & world-ready leaders in their respective fields.

## Value Addition Courses

- **Skill Development:** Content Writing, Resume Writing, Meeting Etiquettes, Soft Skills, Communication Skills.
- **Personality Development:** Yoga & Meditation, Work Ethics & Integrity, Behavioral Skills, Civic Sense Development, Aesthetic Sense Development, Altruism.
- **Social & Cultural Awareness:** Mehendi, Mandana, Best out of Waste, Rangoli, Paper Mache.

## Programs Offered

- ▶ **BA (3 Years)**      ▶ **BA - Social Sc. with AI**      ▶ **BA - Honors (3 Years)**      ▶ **BA - Evening (3 Years)**

Hon'ble Vice President Mr. Venkaiah Naidu addressing 9<sup>th</sup> Indian Youth Science Congress organised by CPU Hamirpur

Sh. Anurag Thakur, Minister of State for Corporate Affairs

Marie Haga, Ex- Director, Global Crop Diversity Trust, Bonn, Germany visited CPU Hamirpur

Mr. Piyush Goyal, Minister of Railways of India

Hon'ble Padma Shri Awardee Dr. Anil Prakash Joshi in National Conference by (NABARD) Govt. of India

Mr. Nitin Gadkari, Minister of Road Transport & Highways of India addressing at CP Auditorium

Prof. Prem Kr. Dhumal Ho'ble Former CM (H.P.) at Inaugural Ceremony of CPU Hamirpur

# Experiential Learning

## Turning Concepts into Creations

### Smart Patrol: Security & Monitoring Surveillance Robot

Designed by: Parth Ojha, Dhruv Khandelwal, Mohammad Alfez, Rohan Singh and Albin Mathew. BCA 4th semester students of CPU have created an IoT based smart security robot that patrols an area, detects intruders using sensors, and streams live video for real time monitoring. Key features include live video streaming, motion detection, obstacle avoidance, and remote monitoring. The expected outcome is a cost-effective, intelligent security solution that enhances safety and allows users to monitor their environment from anywhere in real time.

### Arduino Hand Following Robot

This Hand Gesture Controlled Robot uses Arduino and sensors to track hand movements, enabling real-time control. Cost-effective and easy to implement, it's ideal for education, automation, and healthcare. Enhances understanding of embedded systems, robotics, and sensor integration.

### Eco Friendly Pest Control Prototype

Agriculture students presented an eco-friendly innovative project of pest control. This is a prototype in which a special kind of light has been used which attracts all kinds of insects. To make it useful during day time, a hormone called pheromone has been used in it, whose smell attracts insects. 5 machines have to be installed in one acre of field.

For Videos  
Scan the QR Code

### Revitalizing Rosemary Hair Oil

Muskan, Dimple, Shubham, Payal, & Sheetal (Pharmacy)

CPU Students have developed "Revitalizing Rosemary Hair Oil," a natural solution using 5 carefully chosen ingredients viz. Rosemary, Kadhi Patta, Bhringraj, Methidana, and Coconut Oil to combat hair loss and promote healthy hair growth for their hair growth-promoting properties. Rosemary rich in antioxidant, helps in boost hair growth. Fenugreek seeds contain vitamins as well as calcium, iron, and potassium, which may help hair grow. Curry leaves, the vitamin-rich leaves, have been used for ages to nourish the scalp and stimulate hair growth. Bhringraj is one of the main constituents for herbal preparations used in the management of hair loss.

### Low Cost Hybrid Multi-Tasking Vehicle by Mechanical Branch Students

A group of final year Mechanical Engineering students have developed a hybrid and economic transport vehicle which is beneficial to farmers and traders of small towns and villages. The engine is capable of generating a maximum transmitting power of 10 BHP and it can operate on battery or petrol. The fuel efficiency is 45 km per liter and it can carry a maximum load of 2 tonnes.

### Bogie Mechanism

The model was developed as simulation for multi-purpose use in daily life. The design has no springs or stub axles for each wheel, allowing the bogie to climb over the obstacles. This mechanism is suitable for carrying items in shopping malls; one can find a separate place for carrying kids. This mechanism maintains the chassis in a balanced position, and avoids shocks even on an irregular surface.

### Go Kart for Elite Karting Championship

Students from Mechanical and Electrical branch jointly developed Go-Kart for Elite Karting Championship 2017 held at Bhopal. This was an international level Go-Karting event for all technical students. Due to their innovative ideas, excellent design and meticulous execution with set technical specifications; CPU students achieved 6<sup>th</sup> position among more than 100 teams in finale.

THE CPU  
CAMPUS LIFE.

**TRULY**  
EXTRAORDINARY!

In our efforts to deliver quality & career led education, we put more emphasis on determining one to one contact and also be very much attentive to vital needs of each student. Our faculty team relentlessly monitors progress of every student and guide them accordingly on the way to achieve all success in their life & career ahead.

**Mr. Pramod Maheshwari**

Chancellor, CPU, Kota & Hamirpur  
B.Tech, IIT Delhi  
OPM, Harvard Business School, USA

The development of a nation depends upon the quality of education made available to its people. This is why, one of the main objectives of "Human Resource Development" at university level education is expanding access and improving quality of the education especially in the regions where people do not have easy access to higher education.
